*Holy Horror* Steve A. Wiggins, 2018-12-28 What exactly makes us afraid Is it monsters gore the unknown Perhaps it s a biblical sense of malice lurking unnoticed in the corners of horror films Holy Writ attempts to ward off aliens ghosts witches psychopaths and demons yet it often becomes a source of evil itself Looking first at *Psycho* 1960 and continuing through 2017 this book analyzes the starring and supporting roles of the Good Book in horror films monster movies and thrillers to discover why it incites such fear In a culture with high biblical awareness and low biblical literacy horrific portrayals can greatly influence an audience s canonical beliefs

*Ideas of Possession* Nicole M. Bauer, J. Andrew Doole, 2024 The characteristics of possession are numerous and vary between different socio cultural and historical contexts Different ideas of possession can be observed within different cultural and social contexts both past and present This makes defining possession all the more difficult Various approaches to ideas of possession in different academic disciplines and in different cultural contexts allow the discourse s to benefit from insights that would otherwise remain confined to the society under discussion or the field that determines the method of study The introduction presents an overview of recent interdisciplinary research on possession and scholarly attempts at a working definition followed by a brief outline of the individual case studies in this volume

The Conqueror's Tread Shandon L. Guthrie, 2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror's Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more
