Faith in America [3 volumes] Charles H. Lippy,2006 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return This timely set looks at the major forces that are changing the shape of religion in American life With an influx of immigrants from Asia Latin America and other regions the diversity of religion has grown to include Buddhism Hinduism Islam and other faiths Latin American and African American communities have experienced changes in the ways they practice their faith and in turn influence American culture in general Women have entered the clergy in record numbers and the push for allowing women and gays to enter the clergy in religions that limit or prohibit their roles is on the increase In addition gay couples are leading the same sex marriage movement and other social issues such as abortion stem cell research end of life care etc are still being debated Interest over how people actually live out their religion or spirituality has mushroomed in recent decades thanks in part to the information revolution and popular culture What folks do when they gather together to worship and where they come together has changed dramatically with the advent of the Internet and the role of sports in American life So much has changed and faith in America has become more important than ever as part of our culture our way of life and the way we relate to each other and the world around us The essays found in these pages shed light on our understanding of these transformations and help us comprehend the enormous role of religion in our society and in our world     **Tri-Faith America** Kevin M.

Schultz,2013-01-15 In Tri Faith America Kevin Schultz explains how the United States left behind the idea that it was a Protestant nation and embraced the notion that Protestants Catholics and Jews were Americans all Schultz describes how the tri faith idea surfaced after World War I and how by the end of World War II the idea was becoming widely accepted During the Cold War the public religiosity spurred by the fight against godless communism led to widespread embrace of the tri faith idea     *Religion in America* Julia Corbett Hemeyer,1997 And buddhists in the United States other religious and spiritual movements and religion as an individual and cultural problem For those interested in American and Western religions

Religion in America George C. Bedell,Leo Sandon,Charles Wellborn,1982 This comprehensive narrative account of religion in America from 1607 through the present depicts the religious life of the American people within the context of American society It addresses topics ranging from the European Puritan origins of American religious thought the ramifications of the Great Awakening the effect of nationhood on religious practice and the shifting religious configuration of the late 20th century     **Minorities and Reconstructive Coalitions** Willie Gin,2017-07-06 Through comparative and

historical analysis the book shows that reconstructive coalitions such as labor and pan Christian moral movements affect minority incorporation and bring Catholics and Protestants together under new identities and significantly improving Catholic standing It provides overviews of the history of Catholics in Australia Canada and the United States while at the same time advancing unique arguments about the impact of coalitions on minority politics     *Encyclopedia of Religion in America* Charles H. Lippy,Peter W. Williams,2010 Explores the origins development influence and interrelations of the many faiths practiced in North America including major world religions and emerging sects cults and movements     *Yearbook of American & Canadian Churches, 2007* Eileen W. Lindner,2007     *Yearbook of American & Canadian Churches 2009* Eileen W. Lindner,2009-03 One of the best compilations available of information about North American religious organizations

**Yearbook of American and Canadian Churches** Eileen W. Lindner,2000-04 Readers of the Yearbook of American Canadian Churches have come to trust it as the best single source of information about the status of religion in North America Updated and confirmed annually this accurate and comprehensive resource provides quick reference access to names addresses telephone numbers and fax numbers for denominational leaders headquarters agencies and regional headquarters as well as historical and current statistical data This edition will include a theme chapter by Diana Eck on Religious Pluralism in the New Millennium     **The American Hebrew** ,1925     Yearbook of American and Canadian Churches, 1983 Constant H. Jacquet,1984     **The Problem of Reunion** Leslie Joseph Walker,1920     **America, History and Life** ,2005 Article abstracts and citations of reviews and dissertations covering the United States and Canada
