American Notes For General Circulation Penguin Classics:

American Notes for General Circulation Charles Dickens, 1987 **American Notes for General Circulation** Charles Dickens, 1842 American Notes Charles Dickens, 2017-12-13 This is not the republic of my imagination Charles Dickens noted ruefully of his 1842 visit to the United States His *American Notes* forms a stinging reproof of the country's embrace of slavery its corrupt press and woeful sanitary conditions and its citizens' offensive manners Written with the author's customary observational powers and incisive wit this volume offers a fascinating glimpse of 19th century America Dickens was not entirely hostile toward his hosts and as a dedicated social reformer he took particular interest in whether American democracy constituted an advance over the class divisions of Victorian England The author toured jails hospitals and courts of law which he praised heartily Traveling by steamship coach and rail he visited New York Philadelphia Boston and Washington D C among other cities and his utter astonishment at the natural grandeur of Niagara Falls marks a highlight of his travelogue This trenchant satire of America and Americans is certain to delight both Dickens enthusiasts and history buffs

American Notes for General Circulation Charles Dickens, 2019-06-15 *American Notes for General Circulation* Charles Dickens 1812 1870 is best remembered today for the novels which offer a fantastic even grotesque panorama of Victorian life but he was a journalist before he became a novelist His travel writings have all the energy and urgency of journalism and these two volumes drawn from his experiences in a six month tour between January and June 1842 are no exception Dickens was already hugely popular with the American reading public and he was lionised wherever he went but the *American Notes* and the *American scenes* in *Martin Chuzzlewit* caused great controversy and were felt by many to insult the people and institutions of the United States Dickens's dedication of *American Notes* to those friends of mine in America who loving their country can bear the truth when it is told good humouredly and in a kind spirit suggests that he was not surprised by this reaction **American Notes for General Circulation** Charles Dickens, 2018-08-06 *American Notes for General Circulation* by Charles Dickens When Charles Dickens set out for America in 1842 he was the most famous man of his day to travel there curious about the revolutionary new civilization that had captured the English imagination His frank and often humorous descriptions cover everything from his comically wretched sea voyage to his sheer astonishment at the magnificence of the Niagara Falls while he also visited hospitals prisons and law courts and found them exemplary But Dickens's opinion of America as a land ruled by money built on slavery with a corrupt press and unsavoury manners provoked a hostile reaction on both sides of the Atlantic *American Notes* is an illuminating account of a great writer's revelatory encounter with the New World In her introduction Patricia Ingham examines the response the book received when it was published and compares it with similar travel writings of the period and with Dickens's fiction in particular *Martin Chuzzlewit* This edition includes an updated chronology appendices and notes We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been

accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience [American Notes for General Circulation](#) Charles Dickens,1875 **American Notes** Charles Dickens,2014-11-01 Philadelphia and its Solitary Prison 81 CHAPTER VIII Washington The Legislature And the President s House 94 CHAPTER IX A Night Steamer on the Potomac River Virginia Road and a Black Driver Richmond Baltimore The Harrisburg Mail and a Glimpse of the City A Canal Boat 107 CHAPTER X Some further Account of the Canal Boat its Domestic Economy and its **American Notes for General Circulation** Charles Dickens,2020-08-05 Charles Dickens was the most famous of many travelers of his time who journeyed to America curious about the revolutionary new civilization that had captured the English imagination His frank often humorous descriptions in his 1842 account cover everything from his uncomfortable sea voyage to an ecstatic narrative of his visit to Niagara Falls Yet Dickens is also critical of American society its preoccupation with money and reliance on slavery as well as the rude unsavory manners of Americans and their corrupt press Above all American Notes is a lively chronicle of what was for Dickens an illuminating encounter with the New World [American Notes For General Circulation ...](#) Charles Dickens,1859 **American Notes** Charles Dickens,2024-02-13 Embark on a captivating journey through the heart of antebellum America with Charles Dickens illuminating travelogue American Notes Experience the sights sounds and sensations of a nation on the brink of transformation through the eyes of one of history s greatest storytellers As Dickens traverses the vast landscape of America he offers keen observations and insightful commentary on the social political and cultural landscape of the time From bustling cities to serene countryside each chapter paints a vivid portrait of a nation in flux But amidst the bustling energy of America lies a question that resonates across the ages What does it mean to be American Through encounters with people from all walks of life Dickens grapples with this question offering profound insights into the complexities of identity and belonging Join Dickens on an unforgettable journey as he navigates the highs and lows of antebellum America from the bustling streets of New York City to the plantations of the South Through his keen observations and vivid storytelling he brings to life the hopes dreams and struggles of a nation on the cusp of change Are you ready to embark on a journey through the heart of America s past Immerse yourself in the pages of American Notes where history comes alive in the hands of a master storyteller Join Dickens on a voyage of discovery as he explores the soul of a nation on the eve of transformation Experience the magic of Dickens insight and wit Order your copy of American Notes today and journey back in time to antebellum America Don t miss your chance to explore America s past through the eyes of

American Notes for General Circulation Charles Dickens, 2008-08 This historic book may have numerous typos and missing text Purchasers can download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1902 Excerpt earth's radius of moon or other body P moon's horizontal parallax earth's angular semidiameter as seen from the moon f moon's angular semidiameter Now P in circular measure r r r in circular measure r r P P or radius of earth radius of moon moon's parallax moon's semidiameter Examples 1 Taking the moon's horizontal parallax as 57 and its angular diameter as 32 find its radius in miles assuming the earth's radius to be 4000 miles Here moon's semidiameter 16 $4000 \cdot 57 \cdot 16 \cdot r \cdot 400 \cdot 16 \cdot 1123$ miles 2 The sun's horizontal parallax being 88 and his angular diameter 32V find his diameter in miles Am 872 727 miles 3 The synodic period of Venus being 584 days find the angle gained in each minute of time on the earth round the sun as centre Am l 54 per minute 4 Find the angular velocity with which Venus crosses the sun's disc assuming the distances of Venus and the earth from the sun are as 7 to 10 as given by Bode's Law Since $\frac{50}{S} \cdot \frac{V}{VA} \cdot \frac{7}{3}$ But Srhas a relative angular velocity round the sun of l 54 per minute see Example 3 therefore the relative angular velocity of A V round A is greater than this in the ratio of 7 3 which gives an approximate result of 3 6 per minute the true rate being about 4 per minute Annual ParaUax 95 We have already seen that no displacement of the observer due to a change of position on the earth's surface could apparently affect the direction of a fixed star However as the earth in its annual motion describes an orbit of about 92 million miles radius round the sun the different positions in space from which an observer views the fixed stars from time to time throughout the year must be separated **American notes for general**

circulation, and Hunted down Charles Dickens, 1890 **American Notes for General Circulation.** by Charles Dickens, 2017-11-19 American Notes for General Circulation is a travelogue by Charles Dickens detailing his trip to North America from January to June 1842 Whilst there he acted as a critical observer of North American society almost as if returning a status report on their progress This can be compared to the style of his Pictures from Italy written four years later where he wrote far more like a tourist His American journey was also an inspiration for his novel Martin Chuzzlewit Having arrived in Boston he visited Lowell New York and Philadelphia and travelled as far south as Richmond as far west as St Louis and as far north as Quebec The American city he liked best was Boston the air was so clear the houses were so bright and gay The city is a beautiful one and cannot fail I should imagine to impress all strangers very favourably Further it was close to the Perkins Institution and Massachusetts Asylum for the Blind where Dickens encountered Laura Bridgman who impressed him greatly American Notes for General Ciculation Charles Dickens, 2018-05-24 A fascinating account of nineteenth century America sketched with Charles Dickens's characteristic wit and charm When Charles Dickens set out for America in 1842 he was the most famous man of his day to travel there curious about the revolutionary new civilization that had captured the English imagination His frank and often humorous descriptions cover everything from his comically

wretched sea voyage to his sheer astonishment at the magnificence of the Niagara Falls while he also visited hospitals prisons and law courts and found them exemplary But Dickens's opinion of America as a land ruled by money built on slavery with a corrupt press and unsavoury manners provoked a hostile reaction on both sides of the Atlantic American Notes is an illuminating account of a great writer's revelatory encounter with the New World In her introduction Patricia Ingham examines the response the book received when it was published and compares it with similar travel writings of the period and with Dickens's fiction in particular Martin Chuzzlewit This edition includes an updated chronology appendices and notes For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators Nineteenth-Century British Travelers in the New World Christine DeVine, 2016-05-06 With cheaper publishing costs and the explosion of periodical publishing the influence of New World travel narratives was greater during the nineteenth century than ever before as they offered an understanding not only of America through British eyes but also a lens through which nineteenth century Britain could view itself Despite the differences in purpose and method the writers and artists discussed in Nineteenth Century British Travelers in the New World from Fanny Wright arriving in America in 1818 to the return of Henry James in 1904 and including Charles Dickens Frances Trollope Isabella Bird Fanny Kemble Harriet Martineau and Robert Louis Stevenson among others as well as artists such as Eyre Crowe all contributed to the continued building of America as a construct for audiences at home These travelers' stories and images thus presented an idea of America over which Britons could crow about their own supposed sophistication and a democratic model through which to posit their own future all of which suggests the importance of transatlantic travel writing and the idea of America to nineteenth century Britain

American Notes for General Circulation (Annotated) Charles Dickens, 2020-04-29 Differentiated book It has a historical context with research of the time American Notes for General Circulation by Charles Dickens It is a Charles Dickens travel journal detailing his journey to North America from January to June 1842 While there he acted as a critical observer of American society almost as if returning a report on his progress This can be compared to the style of his Italian paintings written four years later where he wrote much more as a tourist His American journey was also an inspiration for his novel Martin Chuzzlewit Arriving in Boston he visited Lowell New York and Philadelphia and traveled south to Richmond west to St Louis and as far north as Quebec The American city that he liked the most was Boston the air was so clear the houses were so bright and cheerful The city is beautiful and I cannot fail I imagine to impress all strangers in a way very favorable Also he was close to the Perkins Institution and the Massachusetts Asylum for the Blind where Dickens met Laura Bridgman who impressed him greatly Charles Dickens Charles John Huffam Dickens FRSA February 7 1812 June 9 1870 was an English

writer and social critic He created some of the world's best known fictional characters and is considered by many to be the best novelist of the Victorian era AMER NOTES FOR GENERAL CIRCULA Charles 1812-1870 Dickens,2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant AMER NOTES FOR GENERAL CIRCULA Charles 1812-1870 Dickens,2016-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **American Notes for General Circulation and Hunted Down** Charles Dickens,2008-06 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork American Notes and Reprinted Pieces Charles Dickens,1874
