Politically Incorrect Guide to Jihad William Kilpatrick, 2016-09-26 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country **Monstrous Fantasies** Leila K. Norako, 2024-08-15 Monstrous Fantasies asks why medieval romances reimagining the crusades ending in a Christian victory circulated in England with such abundance after the 1291 Muslim reconquest of Acre the last of the Latin crusader states in the Holy Land and what these texts reveal about the cultural anxieties of late medieval England Leila K. Norako highlights the impact that the Ottoman victory and subsequent massacre of Christian prisoners at the battle of Nicopolis in 1396 had on intensifying the popularity of what she calls recovery romance These two episodes inspired a sense of urgency over the fate of the Holy Land and of Latin Christendom itself resulting in the proliferation of romances in which crusading English kings like Richard I and anachronistic legends like King Arthur not only reconquered Jerusalem but committed genocidal violence against the Muslims These romances which as Norako argues also influenced Geoffrey

Chaucer's Canterbury Tales conjure fantasies of an ascendant global Christendom by rehearsing acts of conquest and cultural annihilation that were impossible to realize in the late Middle Ages. Emphasizing the tension in these texts between nostalgia and anticipation that fuels their narrative momentum, *Monstrous Fantasies* also explores how the cultural desires for European and Christian hegemony that recovery romances versified were revived in the wake of the so-called wars on terror in the twenty-first century in such films as *Kingdom of Heaven* and *American Sniper*. *The Routledge Companion to Literature and Trauma* (Colin Davis, Hanna Meretoja, 2020-05-11) Literary trauma studies is a rapidly developing field which examines how literature deals with the personal and cultural aspects of trauma and engages with such historical and current phenomena as the Holocaust and other genocides, 9/11, climate catastrophe or the still unsettled legacy of colonialism. *The Routledge Companion to Literature and Trauma* is a comprehensive guide to the history and theory of trauma studies including key concepts, consideration of critical perspectives and discussion of future developments. It also explores different genres and media such as poetry, life writing, graphic narratives, photography and post-apocalyptic fiction and analyses how literature engages with particular traumatic situations and events such as the Holocaust, the Occupation of France, the Rwandan genocide, Hurricane Katrina and transgenerational nuclear trauma. Forty essays from top thinkers in the field demonstrate the range and vitality of trauma studies as it has been used to further the understanding of literature and other cultural forms across the world. Time for detectives Christopher O'Yee and Harry Feiffer to get to work. The crime-fighting duo have solved some of the most bizarre cases imaginable. This one will test them like never before. The eighth book in William Marshall's classic series sees the colourful cops of Yellowthread Street in their most explosively violent story yet. Join Christopher O'Yee and Harry Feiffer on a labyrinthine journey into the darkest recesses of Hong Kong past. Prepare for painful memories, surreal humour, fast-paced dialogue and streetwise action. Praise for the *Yellowthread Street* series: Marshall has the rare gift of juggling scary suspense and wild humor and making them both work. *Washington Post* Book World: Marshall's style blending the hilarious, the surreal and the poignant remains inimitable and not easily resisted. *San Francisco Chronicle*: Marshall has few peers as an author who melds the wildest comedy and tragedy in narratives of nonstop action. *Publishers Weekly*: Marshall is building a growing iconoclastic body of work that mixes weird fantasy and wayward characterization to produce a subtle charged atmospheric lush fiction hybrid sure to satisfy those with a taste for mysteries on the far edges. *Philadelphia Inquirer*: Despite the wild humor, Marshall's stories contain excellent police procedure, real

suspense and fine irony incessantly scary Chicago Tribune Among the best police procedural series on the market Detroit Free Press As an inspired poet of the bizarre Marshall orchestrates underlying insanity into an apocalyptic vision of the future New York Times Book Review Marshall's novels feature seemingly supernatural events that turn out to have logical if not precisely rational origins He has savage fun with police procedure TIME Nobody rivals Marshall's ability to expose the links between comic hysteria and the most mundane human foibles from greed to cowardice to simple funk Kirkus Reviews Moves at the speed of a bullet don't read it aloud or you'll run out of breath Chicago Sun Times **The Police Chief**, 2001
