AN AMISH WILDFLOWER

What is a young Amish woman to do when the man she loves courts her best friend instead Daisy tapped against the porch railing with slight impatience looking out at where the already pale sunshine was beginning to drain away It would be dark in a couple of hours and Sadie would no doubt already be waiting for her She heard steps approaching the house and turned thinking that perhaps Sadie had come looking for her but it was Andrew Miller a friend of her eldest brother He greeted her pleasantly as he reached the porch Jacob's on his way back Daisy told him I saw him Simon and the others headed over the pasture a minute ago She had thought for a moment of waiting here on the porch until they returned not to see her brothers but because she knew who would be with them She had not seen him in so long But if she greeted the boys and then left immediately it would be obvious that she had stayed just to see him She expected Andrew to move on maybe to go and meet Jacob as he arrived but he paused He offered a smile which Daisy returned a little confusedly She had never really spoken to Andrew before except in passing What did he want Actually I was hoping to catch you here I wanted to ask you something He paused for a moment It's just my daed said I could use the good buggy this winter and well He looked down for a moment and shuffled his feet Daisy's mouth opened in surprise Was he asking her to go courting It seemed like it although no boy had ever asked her before so she lacked comparison points Should she say yes He was handsome but she did not know him very well and she had never felt any kind of attraction to him Even so would it be rude to refuse especially as she had never received any other invitations These and a hundred other thoughts arrived in Daisy's mind all at once before Andrew had even raised his head again They were so distracting that she almost failed to hear the next sentence he uttered Do you think that Sadie would be interested in going for a drive with me And with that one question Daisy's heart broke in two
