The Prayer of Silence PhD Bruce Fraser MacDonald,2011-11 The Prayer of Silence has several aims 1 to teach basic relaxation and concentration methods based on bodily awareness 2 to develop an awareness of the Divine Presence 3 to overcome emotional and personality blocks to develop a sense of personal wholeness 4 to develop an awareness of what the author drawing on a near death experience in 1966 calls the Watcher aspect of consciousness that speeds the development of spiritual perception of inner Love Peace and Joy 5 to transform the ego from attachment to material and emotional limits to a spiritual Ego that is one with the Atman or Spirit and to extend that spiritual awareness to the world and other people 6 to be able to deal with the conflicts and potential arising from the memory of past lives 7 to be able to find a Spiritual Guide in the inner person 8 to be able to deal with the inevitable dry periods in spiritual practice 9 to experience Nirvana where all lower attachments are blown out and 10 to achieve Divine Union where the Ego and God are One where Atman experiences itself as one with Brahman where one can say with Jesus I and the Father are One There is also a very good chapter on mantras so the student can learn about their nature and use although the Prayer of Silence uses a different more direct form of focus to achieve concentration and inner awareness Dr MacDonald has also remembered and worked with many of his own past lives so he is a reliable guide to others who are going through that process The author is a master teacher and the book presents its material in a steadily more complex form laying the necessary foundations before proceeding to the higher levels of learning There is a combination of theory and practical exercises so the learner can develop meditation skills gradually but with confidence building from one stage to the next to achieve mastery of the subject The writing is clear and concise and easy to understand In order to explain the often difficult ideas associated with meditation and spiritual growth Dr MacDonald draws on the language ideas and practice of Christian Hindu Jewish and Buddhist traditions to clarify ideas from different angles He also draws on relevant scientific studies of human consciousness to help make the ideas and aims of this Prayer of Silence clear to the reader
