

Behavior Essay-Talking (Copy onto lined paper, neatly)

I will do my personal best to make wise choices and be respectful. I will respect my teaches and classmates at all times by keeping my comments to myself so that I do not interrupt their thinking.

I will not bother others during class. If I am talking to those around me I am not concentrating on my work. My talking will also hinder the learning of those around me. I need to respect my classmates and allow them to concentrate on their work without disturbing them.

I will not blurt out comments during class. If I have a comment to contribute to the class I need to raise my hand and wait for my teacher to call my name. I understand that I need to respect those around me and stay quite so that they may get their work done.

I will not talk to others when my teacher is talking. I understand that I must give my full attention to the teacher and focus on the lesson. I understand that if I do not focus on the lesson then I will miss out and not understand what is being taught.

In the future I will do my best to work quietly and give 100% to my classwork.
