Behind The Masks Personality Disorders In The Church:

Behind the Masks Wayne Edward Oates, 1987-01-01 Describes eight common personality disorders presents Biblical guidelines for dealing with difficult people and explains how Christian faith can help their real personalities to emerge

Behind the Masks C. Marvin Pate, Sheryl Lynn Pate, 2000 This layman's guide is a thorough yet easy to understand study carefully examining various personality disorders paving the way for the proposed remedy for dealing with these disorders in the church Each chapter focuses on a single disorder and includes a real life case study a profile based on professional psychological descriptions and a list of the feelings the disorder generates in others *Managing Conflict God's Way* Richard W. Tow, 2025-08-11 *Managing Conflict God's Way* is more than just a helpful book it's a timely and Spirit led resource that speaks directly to the heart of where so many of us live and lead in the often messy complicated world of human relationships Rooted in Scripture and filled with practical wisdom this book guides and equips pastors and Christian leaders with everyday tools to move beyond avoidance or aggression and toward healing and reconciliation even in life's hardest moments As a former pastor I know how easily unresolved conflict can tear at the fabric of a church break families apart and damage the witness of the gospel That's why this book matters It offers more than just strategies and skills it invites you into a Christ centered way of living and leading grounded in the call to love your neighbor as yourself In today's divided world this book is both a timely and transformative guide a much needed resource for the church I wholeheartedly recommend *Managing Conflict God's Way* to every Christian leader who desires to walk in peace and guide those they lead on the path of a true peacemaker Dr John Battaglia Director of the Doctor of Ministry program Professor of Practical Theology Assemblies of God Theological Seminary The writing is clear thoughtful and grounded in both biblical truth and sound conflict theory It begins with a thorough discussion of Scripture and its mandates for managing relationships and conflict then moves into an extensive exploration of conflict theory principles and strategies While it covers standard topics in the field it also addresses areas not typically found in conflict texts For example the discussion of interests and satisfaction goes beyond the basics to offer detailed strategies for collaboration Topics such as building trust recognizing boundaries seizing the opportunities of conflict forgiveness and reconciliation confrontational communication and the dangers of demonizing others are all handled with depth and originality supported by Scripture contemporary conflict theory and a rich tapestry of examples drawn from Richard's extensive professional experience in both secular and faith based contexts Charlene A Berquist Ph D Emeritus Professor and Former Director Center for Dispute Resolution Missouri State University Co Founder Communication and Conflict Management Associates CCMA Abused God Regina Pinto-Moura, Regina Johnson, 2008-11 This is an incredible book The reader will understand the subject of spiritual abuse among Brazilian religious leaders around the greater Boston area and how to respond to it in appropriate ways There are powerful facts behind this book It projects a powerful voice of passion and conviction This book offers critical evidence that a significant

number of Brazilian leaders have become dysfunctional and abusive In this context Rev Dr Pinto Moura reports that the World Revival Church hereafter WRC is an example of a dysfunctional culture producing codependence They seem to continually strive with combined elements of unbalanced and unorthodox doctrines controversial government disciplinary problems irresponsible leadership which result in explosive turmoil division wounded and confused sheep and a derogatory reputation in their community There are scores of people who have been deeply wounded by their experience with WRC Religious addiction is identified and attacked as a part of this problem It has been enormously traumatic This book exposes this complex issue balancing facts with compassion Developing a healing approach is needed This supportive data is the result of scholarly studies and truths from the Bible It substantiates a biblical response to the challenge to bring spiritual health to the Brazilian churches in the U S This book addresses healing strategies and explores possible solutions to the demoralizing problem of spiritual abuse This book is revolutionary prophetic and apostolic The healing guidelines can be applied to any ministry and person experiencing the pain of leadership abuse Rev Dr Regina Pinto Moura is married with Apostle Jota Moura They lead the Shalom International Baptist Community She is ordained by The American Baptist Churches in Massachusetts She has her Masters in Counseling Psychology and Addiction from Cambridge College Her Doctorate is from Gordon Conwell Theological Seminary for her studies in Ministry in Complex Urban Settings

The Wounded Minister Guy Greenfield, 2001-07-01 Every church deals with personality conflicts and intermittent discord But in some churches what should be normal clashes has become a devastating form of abuse pastoral abuse A growing phenomenon that cuts across denominational lines and impacts every level of ministry pastoral abuse leaves in its wake thousands of wounded clergymen with ruined ministries broken relationships damaged health even shattered faith The Wounded Minister Healing for Abused Clergy written by a clinically trained pastoral counselor examines the reality of evil in churches and the ways in which pathological antagonists emotionally and spiritually batter pastors A deft mix of personal experience and in depth research this resource will help wounded men and women of all ministerial positions learn how to recover their broken hearts while rebuilding their lives And as preventative medicine it also provides guidelines on how spiritually sensitive Christians can develop a church structure that protects their pastors from this tragedy Both compassionate and proactive this book is an excellent resource for hurting pastors as well as lay leadership pursuing healthy church life

Never Call Them Jerks Arthur Paul Boers, 1999-12-31 No church is immune to the problems that can arise when parishioners behave in difficult ways Responding to such situations with self awareness and in a manner true to one's faith tradition makes the difference between peace and disaster In this must read book Boers shows how a better understanding of difficult behavior can help congregational leaders avoid the trap of labeling such parishioners and exercise self care when the going gets rough

The Mental Health Handbook for Ministry Mark Mayfield, 2025-09-23 Poor mental and emotional health are two of the great crises of our times and yet most pastors and ministry leaders are not

adequately trained or equipped to understand and come alongside the hurting As a result our efforts to help those who are wrestling with mental or emotional health struggles are at best inadequate and at worst harmful Combining the best of clinical research with a biblical worldview The Mental Health Handbook for Ministry is a practical and accessible resource to help pastors church leaders and others who are called on to offer counsel identify the symptoms of particular mental and emotional health challenges express love and support to those who are hurting recommend healthy coping strategies discern when to offer help and when to refer someone to a mental health professional With chapters dedicated to common manifestations of mental and emotional distress including depression anxiety trauma suicide self harm addiction personality disorders grief and more this will quickly become the go to resource for ministry leaders who long to offer help to the hurting
