Blue Fairways Three Months Sixty Courses No Mulligans:

Blue Fairways Charles Slack,1999 **Blue Fairways** Charles Slack,2011-04-01 A duffer s odyssey on the public links from Maine to Key West A golfing everyman takes us on a pilgrimage playing public golf courses along Route 1 down the east coast of the United States From his first round with French Canadian partners amidst the potato fields of northern Maine to his final round against a setting tropical sun in Key West Charlie Slack chronicles the best and worst of the public golf experience Each round introduces a new set of partners and opens a window onto a new locale whether it s the manicured suburbs of Connecticut the worn down urban centers of the Northeast Corridor or the sun drenched golfing havens of the South Here in the land of new beginnings Charlie Slack lives out every golfer s fantasy a fresh start and a pristine fairway each and every morning An utterly charming tale of a quintessentially American journey of discovery

Liberty's First Crisis
Charles Slack,2015-03-03 Slack engagingly reveals how the Federalist attack on the First Amendment almost brought down the Republic An illuminating book of American history Kirkus Reviews starred review In 1798 with the United States in crisis President John Adams and the Federalists in control of Congress passed an extreme piece of legislation that made criticism of the government and its leaders a crime punishable by heavy fines and jail time From a loudmouth in a bar to a firebrand politician to Benjamin Franklin s own grandson those victimized by the 1798 Sedition Act were as varied as the country s citizenry But Americans refused to let their freedoms be so easily dismissed they penned fiery editorials signed petitions and raised liberty poles while Vice President Thomas Jefferson and James Madison drew up the infamous Kentucky and Virginia Resolutions arguing that the Federalist government had gone one step too far Liberty s First Crisis vividly unfolds these pivotal events in the early life of the republic as the Founding Fathers struggled to define America off the page and preserve the freedoms they had fought so hard to create A powerful and engaging narrative Slack brings one of America s defining crises back to vivid life This is a terrific piece of history Jon Meacham Pulitzer Prize winning author of Thomas Jefferson
