Blue Ice Kamailelauli'I Rafaelovich,Ihaleakala Hew Len,2014-03-30 BLUE ICE Memories and Relationships MsKr SITH Conversations Book 2 This book is the second in a series of books on the use and application of Self I Dentity through Ho oponopono SITH an ancient Hawaiian problem solving method updated by Kahuna Lapa au Morrnah Nalamaku Simeona SITH can be used by any individual to release stress and bring about freedom and balance BLUE ICE The Relationship with the Self is a compilation of discussions from an ongoing radio program called MsKr SITH Conversations between Kamailelauli I Rafaelovich and Dr Ihaleakala Hew Len about SITH In the book these two master practitioners discuss how SITH as a way of life has transformed their lives through moment by moment cleaning and what they do when problems arise This book focuses on memories and how to clean with relationships *Blue Ice* Kamailelauli'I Rafaelovich,Ihaleakala Hew Len,Momilani Ramstrum,2013-02-21 **Women in Health Management** Robert McMurray,Éidín Ní Shé,2025-09-23

Writings on health and health management have long been concerned with the great figures that have preserved protected or extended life From Hippocrates and Galen to Vesalius Lister Mengele Pasteur Jenner and Fleming these writings have celebrated individuals whose knowledge and practice has treated our ills and sought to better manage our care For the most part this has been a history of great men sic There are honourable mentions for a small number of women such as Elizabeth Blackwell or Florence Nightingale but by and large one would be forgiven for assuming that the management of health has nearly always been the preserve of men The contribution of women is largely absent written out This book contributes to the process of writing women back into our shared history and understanding of health and its management Its chapters detail how women have been the main healers for communities across the globe for over four millennia It considers the manner in which wise women who used their knowledge of herbs ritual and healing were excluded from emerging medical professions while their good works were written over and written out of local histories through their marginalisation and repositioning More positively it brings to our attention inspiring women who have shaped the ways in which we develop and deliver health in its broadest sense Drawing on the work of women from Kenya Nigeria Hawaii T rkiye USA Ireland and the UK and from disciplines that span medicine social work mental health health promotion occupational therapy midwifery pharmacology and traditional healing the women considered in this volume advance our understanding of alternative ways of developing delivering and managing health This includes organising services for areas of neglected health e g women s health health prevention rural populations tackling contentious health issues e g female genital mutilation management of mental disorders and the care of health providers themselves e g providing space for women to practice managing the mental well being of healthcare workers This book also shows how the work of these women went beyond health management to influence political and societal change *Blue Ice* Marlene Maxwell,2007-09 Blue Ice is not an attempt to be catchy or complicated These are just words that give away emotion and substance to the expressions that fall all around thin ice They

are just words that apply to what I write about most relationships of the intimate kind often those not considerate of our welfare or worth I have wrestled an almost innate need to rescue and fix people obeying false commandments and paying penance to procure my own good and believe I deserve it What makes it too daring to save ourselves before extending an arm through shards of blue ice clutching a hand held offering still beating I do not want you to think this is a dark book shrilling prophetic doom in contorted faces It is about rising up on the power of our own self worth It is about being anchored by the shouts from lamp lit watch towers old draw bridges and warmed stick built shacks everywhere If there is obscurity in my poems and stories it is so you may see yourself in a few words a phrase or sentence and chisel or sculpt what you need to find in one spring fed pocket of air that you are not alone it is in the wrestling with cold swirling waters that we find our bliss sustain it breath by breath and round by round Am I on thin ice Maybe but I can see blue a safe distance away Just words
