## **Blue Moon Hotel Philadelphia:**

Rehab Shoshana Walter, 2025-08-12 Pulitzer finalist Shoshana Walter exposes the country's failed response to the opioid crisis and the malfeasance corruption and snake oil which blight the drug rehabilitation industry. Our country's leaders all seem to agree. People who suffer from addiction need treatment. Today more people have access to treatment than ever before. So why isn't it working? The answer is that in America where anyone can get addicted only certain people get a real chance to recover. Despite record numbers of overdose deaths our default response is still to punish while rehabs across the United States fail to incorporate scientifically proven strategies and exploit patients. We've heard a great deal about the opioid crisis foisted on America by Big Pharma but we've heard too little about the other half of this epidemic the reason why so many remain mired in addiction. Until now. In this book you'll find the stories of four people who represent the failures of the rehab industrial complex and the ways our treatment system often prevents recovery. April is a black mom in Philadelphia who witnessed firsthand how the government's punitive response to the crack epidemic impeded her own mother's recovery and then her own. Chris a young middle class white man from Louisiana received more opportunities in his addiction than April including the chance to go to treatment instead of prison. Yet the only program the judge permitted was one that forced him to perform unpaid back breaking labor at for profit companies. Wendy is a mother from a wealthy suburb of Los Angeles whose son died in a sober living home. She began investigating for profit treatment programs yet law enforcement and regulators routinely ignored her warnings allowing rehab patients to die again and again. Larry is a surgeon who himself struggled with addiction who would eventually become one of the first Suboxone prescribers in the nation drawing the scrutiny of the Drug Enforcement Administration. Together these four stories illustrate the pitfalls of a system that not only fails to meet the needs of people with addiction but actively benefits from maintaining their lower status. They also offer insight into how we might fix that system and save lives.

## **How I Got Over** Willa Ward-Royster, 1997

In 1931 Gertrude Murphy Ward was pressing clothes in a Philadelphia dry cleaning establishment when a voice said to her Go sing my Gospel and help save dying and lost men and women. With her two daughters Clara and Willa she went on to found the group that became the world famous Ward Singers. By 1970 it took fifty police officers to control the crowds that greeted the Ward sisters at one of their concerts. Lavishly illustrated with 60 photographs from the author's collection *How I Got Over* chronicles the Wards story from rural Anderson South Carolina to the streets of North Philadelphia and beyond. Told by Gertrude's oldest daughter Willa with the assistance of musician and writer Toni Rose the Wards story ranges over the joys and frustrations triumphs and agonies of what it means to be simultaneously a family an entertainment business enterprise and a group with a mission to spread God's word. Like many other gospel singers the Wards grew up in poverty. Willa remembers living in twenty four different homes before she was nineteen. This was especially true after Gertrude quit her job to sing for goodwill offerings. By the time of Clara's death in 1973 however the group was performing all over the world. They

appeared on television with Dinah Shore Steve Allen Ed Sullivan Johnny Carson and many others and recorded the first million seller hit by a gospel group Surely God Is Able From Ma Hannah matriarch of the Murphy family to Marion Williams Mahalia Jackson and C L Franklin How I Got Over brings to life an unforgettable group of people some famous some unknown as they are vividly recollected by a woman who was there In her telling of heart warming family scenes childhood escapades triumphant performances Willa Ward Royster re creates a career and a way of life that will remain in the reader's memory **A Marmac Guide to Philadelphia** Judith M.
