*Blue Moon* James Ponti, 2013-10-01 Molly is ready for more nonstop undead action in this follow up to *Dead City* which Kirkus Reviews described as a fast paced read for those who like their zombies with just a little fright When Molly Bigelow discovered that zombies shared New York with humans she didn't think life could get more shocking Then she learned that her mother was once one of the greatest zombie killers ever and she discovered that her dead mother is not technically dead after all although she isn't alive either Molly's efforts to keep these secrets and to help her Omega team track down the identity of the original thirteen zombies will take her from the Macy's Thanksgiving Day parade to New Year's Eve in Times Square Her loyalties to friends and family will be put to the test And her life will be changed in ways she never could have imagined

*Dead City Saga* James Ponti, 2021-07-06 Discover the truth about who really lives above and below New York City with the entire *Dead City* trilogy now available in one volume I hate zombies I know that sounds prejudiced and I'm sure some are probably nice to kittens and love their parents But it's been my experience that these are the exceptions to the rule Meet Molly Bigelow She's recruited to become a zombie hunter just like her mother As part of an elite team OMEGA her job is to protect the living and the almost living who share the island of Manhattan Molly has to come to terms with the idea that zombies exist and that it's her job to help police them and keep the peace At the same time she just wants to be a regular kid But can she figure out how to do that when her mother was the most feared or most revered zombie hunter in the history of New York City Molly's missions take her from the Macy's Thanksgiving Day parade to New Year's Eve in Times Square as her loyalties and relationships are tested This omnibus edition includes *Dead City Blue Moon Dark Days*

*Dead City Omega Collection Books 1-3 (Boxed Set)* James Ponti, 2016-10-11 Discover the truth about who really lives above and below New York City with the entire *Dead City* trilogy now available in a collectible boxed set I hate zombies I know that sounds prejudiced and I'm sure some are probably nice to kittens and love their parents But it's been my experience that these are the exceptions to the rule Meet Molly Bigelow She's part of an elite team OMEGA whose job is to protect the living and the almost living who share the island of Manhattan In *Dead City* Molly is recruited to become a zombie hunter just like her mother She must come to terms with the idea that zombies exist and that it's her job to help police them and keep the peace At the same time Molly just wants to be a regular kid But can she figure out how to do that when her mother was the most feared or most revered zombie hunter in the history of New York City In *Blue Moon* Molly's efforts to help her Omega team track down the identity of the original thirteen zombies takes her from the Macy's Thanksgiving Day parade to New Year's Eve in Times Square Her loyalties to friends and family and her life are about to be tested in ways she'd never imagine In *Dark Days* Molly and the Omegas fight to contain the storm unleashed by Operation Blue Moon As they do Molly's personal life is thrown into turmoil

when she discovers that one of her closest friends has joined the ranks of the undead a development that threatens the Omegas as well as Molly's relationship with her mother      *A Hint of Hydra* Heidi Lang, Kati Bartkowski, 2019-07-16 A zingy buoyant adventure BCCB A wildly inventive fantasy Booklist Thirteen year old chef Lailu Loganberry must stop a war between the elves and scientists in this follow up to *A Dash of Dragon* which Kirkus Reviews calls a recipe for success It's the Week of Masks a festival held to chase away evil spirits But Lailu doesn't have time to worry about demons She has bigger fish to fry or rather griffons now that she's been asked to prepare a mystical feast for the king's executioner Lord Elister Unfortunately Lailu's meal is overshadowed by the scientists' latest invention automatons human shaped machines that will respond to their masters every order Most people are excited by the possibilities but the mechanical men leave Lailu with a bad taste in her mouth Even worse the elves still blame the scientists for the attacks on them weeks ago and Lailu worries that the elves might be cooking up revenge So when she and her sorta rival turned almost friend Greg stumble across the body of a scientist the elves are the prime suspects With help from Greg her best friend Hannah and the sneaky winking spy Ryon Lailu has to discover the truth behind the murder and soon because hostilities between the elves and the scientists are about to boil over faster than hydra stew And just ask any chef war is bad for business      ***The Search for the Shadowsoul*** Callie C. Miller, 2024-09-17 A descendant of the great wizard Merlyn must atone for the harm he caused in this thrilling magical romp with a heartfelt message Kirkus Reviews that's the second adventure in the *A Quest of Great Importance* middle grade series that riffs on Arthurian legend in the vein of Adam Gidwitz and Amanda Foody The wizard Percy used to be sure of three things he's a magical prodigy he's destined to do extraordinary things as prophesied by his ancestor the wizard Merlyn and he would do anything for his twin Merlynda But that was before Merlynda was revealed to be the subject of the prophecy and before Percy became the Hollower stealing magic for the wicked Morgan le Fey Six months have passed since Percy and Merlynda defeated the sorceress but Percy hasn't been able to reconcile who he is with what he's done And he carries a dark secret despite her banishment Morgan le Fey can still speak to him When the mysterious Round Table discovers newly Hollowed objects Percy is blamed He escapes on a quest to clear his name but also to make sure whoever is responsible never Hollows anyone again Joined by Merlynda and Neci now a royally dubbed knight an anxious warlock who seeks to break a curse and a nonmagical sugar glider who longs to be a familiar Percy must defeat this new foe not only to face his past but to decide what kind of wizard he'll be in the future      *The Blue Moon* Laurence Housman, 2004-10 Nillywill and Hands Pansy were the most unimportant and happy pair of lovers the world has ever gained or lost With them it had been a case of love at first blindness since the day when they had tumbled into each other's arms in the same cradle And Hands Pansy when he first saw her did not discover that Nillywill was a real princess hiding her birthright in the home of a poor peasant nor did Nillywill when she first saw Hands see in him the baby beginnings of the most honest and good heart that ever sprang out of poverty and humble parentage So from her end of their little crib she kicked him with her royal rosy

toes and he from his kicked back and laughed and thus as you hear at first blindness they fell head over ears in love with one another     **The Blue Moon** Lorena McCourtney.
