Science and Technology Department,1986 Handicrafts and do it yourself projects have always been a library s most popular and heavily requested subject And for more than a decade a definitive index to handicraft books has not been published To fill this gap the Science and Tech nology Department at Carnegie Library of Pitts burgh has compiled the Index to Handicraft Books listing more than 900 books and over 12 400 sub ject entries covering books published from 1974 to 1984 The Index to Handicraft Books is an essential ref erence tool for librarians who want to help some one find instructions for a varied range

of do it yourself projects providing quick access to craft projects in books more recent than previous handi craft index books have listed Each entry in the in dex consists of a subject heading the name of the project as listed in the book the author and title of the book and the page numbers on which the project can be found The author and title cor respond to those in the List of Works Cited sec tion which gives full bibliographic information in order to help librarians find the book on their shelves or obtain the book through inter library loan Because this index developed from a card file index of craft books acquired by Carnegie Library since 1974 the list concentrates mainly on medium priced books that most libraries buy [Learn to Drape a beginner's guide to fashion design](#) Miranda Carmona,2017-10-26 Learn draping and pattern drafting Career designers use these skills to execute their designs You will develop the basic blocks and transfer them on pattern paper and advance to design development Pattern drafting techniques are taught which will be the starting point for exploring more challenging designs You will be surprised at how simple it is to learn If a career in Design is not your goal but to design and make your own clothes this book will make that possible Enjoy your new found chanllege **How to Make Blouse Patterns That Fit Perfectly** Sarah J. Doyle,2018-12-13 Buying or making clothes can be very stressful and difficult Sometimes there is literally NO standard size that fits properly The clothes end up too big here too small there darts too high or too low shoulders just don t fit right and so on Pattern making is the answer to the problem Why make patterns The answer is very simple you will be using your own measurements or the measurements of the person you are wanting to sew for therefore all the garments you make will fit those particular measurements This book begins by covering the basics of pattern making how to take the measurements then using those measurements to make the original bodice pieces how to make collars sleeves and various necklines you can use to make an entire wardrobe of blouses and shirts We will give you a wide variety of blouse styles however once you learn and practice the basics you will be able to draw patterns that you see in pattern books clothing in department stores or an item of clothing that you want to design for yourself [The English Catalogue of Books ...: 1801-1836.
