## Girl I Loved:

*Mad Girl's Love Song* Andrew Wilson, 2013-01-31 On 25 February 1956 twenty three year old Sylvia Plath walked into a party and immediately spotted Ted Hughes This encounter now one of the most famous in all literary history was recorded by Plath in her journal where she described Hughes as a big dark hunky boy Sylvia viewed Ted as something of a colossus and to this day his enormous shadow has obscured Plath's life and work The sensational aspects of the Plath Hughes relationship have dominated the cultural landscape to such an extent that their story has taken on the resonance of a modern myth After Plath's suicide in February 1963 Hughes became Plath's literary executor the guardian of her writings and in effect responsible for how she was perceived But Hughes did not think much of Plath's prose writing viewing it as a waste product of her false self and his determination to market her later poetry poetry written after she had begun her relationship with him as the crowning glory of her career has meant that her other earlier work has been marginalised Before she met Ted Plath had lived a complex creative and disturbing life Her father had died when she was only eight she had gone out with literally hundreds of men had been unofficially engaged had tried to commit suicide and had written over 200 poems *Mad Girl's Love Song* will trace through these early years the sources of her mental instabilities and will examine how a range of personal economic and societal factors the real disquieting muses conspired against her Drawing on exclusive interviews with friends and lovers who have never spoken openly about Plath before and using previously unavailable archives and papers this is the first book to focus on the early life of the twentieth century's most popular and enduring female poet *Mad Girl's Love Song* reclaims Sylvia Plath from the tangle of emotions associated with her relationship with Ted Hughes and reveals the origins of her unsettled and unsettling voice a voice that fifty years after her death still has the power to haunt and disturb    *No Limit to a Bad Girl's Love 2* DAK, 2019-10-29 When Rayne makes a decision based off of emotion she is left to figure out where she stands in everyone's lives After discovering her estranged husband's secrets Rayne is all over the place and filled with regret One mistake and the entire world is against her Trying to figure out where she and Juju stand she begins to shut everyone out except Andi who is the one person that knows her heart and refuses to pick a side between her two best friends But what happens when Andi is still caught in the crossfire of her friendships while figuring out how to mend her relationship with Patience While Rayne is trying to figure out where her relationship with Bullet is headed Nicki comes back with a secret big enough to make Bullet wash his hands of her With the world still against her and feeling like she can't catch a break what else is left for Rayne to do Between her and Juju two women scorned what is the best way for them to get it together for the sake of everyone around them    **Authors Digest** Rossiter Johnson, 1927    **Scribners Monthly**, 1878
