*The Key of the Mysteries* Eliphas Levi, 2001-12-15 Eliphas Levi was steeped in the Western occult tradition and a master of the Rosicrucian interpretation of the Qabalah which forms the basis of magic as practiced in the West today. The Key of the Mysteries represents the culmination of Levi's thoughts and is written with subtle and delicate irony. It reveals the mysteries of religion and the secrets of the Qabalah providing a sketch of the prophetic theology of numbers. The mysteries of nature such as spiritualism and fluidic phantoms are explored. Magical mysteries the Theory of the Will with its 22 axioms are divulged. And finally it offers the great practical secrets. The true greatness of this work however lies in its ability to place occult thought firmly in Western religious traditions. For Levi the study of the occult was the study of a divine science the mathematics of God.

*The Key to the Mysteries*

Eliphas Levi, 2017-03-12 Eliphas Levi born Alphonse Louis Constant 8 February 1810 31 May 1875 was a French occult author and ceremonial magician. Levi was the name under which he published his books. His attempt to translate or transliterate his given names Alphonse Louis into the Hebrew language. Constant was the son of a shoemaker in Paris. He attended the seminary of Saint Sulpice since 1830 and began to study to enter the Roman Catholic priesthood. However while at the seminary he fell in love and left in 1836 without being ordained. He spent the following years among his socialist and Romantic friends including Henri François Alphonse Esquiros and so called petits romantiques such as Gérard de Nerval and Théophile Gautier. During this time he turned to a radical socialism that was decisively inspired by the writings of Félicité de Lamennais the former leader of the influential neo Catholic movement who had recently broken with Rome and propagated a

Christian socialism When Constant published his first radical writing *La Bible de la libert* 1841 The Bible of Liberty he was sentenced to an eight month prison term and a high fine Contemporaries saw in him the most notorious disciple of Lamennais although the two men do not seem to have established a personal contact In the following years Constant would describe his ideology as *communisme n o catholique* and publish a number of socialist books and pamphlets Like many socialists he propagated socialism as true Christianity and denounced the Churches as corruptors of the teachings of Christ Important friends at that time include next to Esquiros the feminist Flora Tristan the eccentric socialist mystic Simon Ganneau and the socialist Charley Fauvety In the course of the 1840s Constant developed close ties to the Fourierist movement publishing in Fourierist publications and praising Fourierism as the true Christianity Several of his books were published by the Fourierist Librairie phalanst rienne He also turned to the writings of the Catholic traditionalist Joseph de Maistre whose writings were highly popular in socialist circles An especially radical pamphlet *La voix de la famine* 1846 The Voice of Famine earned Constant another prison sentence that was significantly shortened at the request of his pregnant wife Marie No mi Cadot In his *Testament de la libert* 1848 Constant reacted to the atmosphere that would produce the February Revolution In 1848 he was the leader of an especially notorious Montagnard club known for its radicalism Although it has been claimed that the Testament marked the end of Constant's socialist ambitions it has been argued that its content is in fact highly euphoric announcing the end of the people's martyrdom and the resurrection of Liberty the perfect universal socialist order Like many other socialists the course of events especially the massacres of the June Uprising in 1849 left him devastated and disillusioned As his friend Esquiros recounted their belief in the peaceful realization of a harmonious universal had been shattered

**The Key** Whitley Strieber, 2011-05-12 From the bestselling author of Communion comes the mysterious true story of how an unknown visitor barged into Streiber's hotel room late one night and imparted extraordinary lessons in personal development and man's fate that challenge us to rethink every assumption about the meaning of life At two thirty in the morning of June 6 1998 Whitley Streiber was awakened by somebody knocking on his hotel room door A man came in and everything he said was life altering This is the unsettling and ultimately enlightening narrative of what happened that night Streiber was never really sure who this strange and knowing visitor was a Master of Wisdom A figure from a different realm of consciousness A preternaturally intelligent being He called him the Master of the Key The one thing of which Streiber was certain is that both the man and the encounter were real The main concern of the Master of the Key is to save each of us from self imprisonment Mankind is trapped the stranger tells Streiber I want to help you spring the trap In a sweeping exchange between Streiber and the stranger which takes the form of a classical student teacher dialogue in pursuit of inner understanding the unknown man presents a lesson in human potential esoteric psychology and man's fate He illuminates why man has been caught in a cycle of repeat violence and self destruction and the slender but very real possibility for release In its breadth and intimacy The Key is on par with contemporary metaphysical traditions such as A Course in Miracles or even with the dialogues of modern wisdom teachers such as D T Suzuki and Carl Jung     **A Key to True Religion** J.
