selection of supplementary learning resources *Essentials of Medical Terminology* concentrates on just the key terms and concepts that can be taught in a half year course. Its clean uncluttered design keeps readers attention focused on learning these basic terms and definitions are kept concise. The interactive *Essentials of Medical Terminology* Student CD ROM and Audio Program CD ROMs 2 disk audio CD set linked directly to the text and its selection of terms are included with each copy of the text. They provide a powerful suite of learning tools geared to the diverse learning styles of today's students. A Spanish English Audio CD ROM is also available for student purchase. The Student CD ROM is set up by text chapter and includes a variety of games and skill building activities such as key terms with audio flash cards, word building, multiple choice and true/false questions, matching, crossword puzzles and a game called That's Epidemic. A progress review component records and prints student progress reports. The CD ROM is ideal for reviewing terms for group activities and for courses that have a self study component.

*A Short Course in Medical Terminology* C. Edward Collins, 2006. Designed for self instruction or classroom use this quick and easy textbook is ideally suited for one or two credit medical terminology courses. The text is brief yet sufficiently comprehensive to give users a sound understanding of terminology. Part One covers the basics of word analysis, word parts and word building. Part Two focuses on the major body systems. Each chapter includes word tables, review exercises and illustrations. A bonus CD ROM includes a pronunciation glossary with approximately 1 500 terms plus interactive exercises and a final exam. LiveAdvise Medical Terminology online faculty support and student tutoring services are available free with each text. An online course for use with WebCT or Blackboard is also available.

**Terminology for Health Professions with Web Tutor** Ann Ehrlich, Carol L. Schroeder, Delmar Thomson Learning, 2001. Learning Links provide students with practice searching the web for information. Learners choose from a variety of web links and report back findings to their instructor through e mail. Discussion Questions enable distance learning students to take part in a stimulating classroom discussion. Glossary provides term definition, pronunciation and illustrations for select terms. Easy to use tools help you customize the course to your needs. Class Notes are helpful tips for students to remember word parts and provide further clarification and expansion of text material. Online Exercises including quizzes, self test questions, pretest, mid term and final exam with rationale for right and wrong answers provide students with immediate feedback and guidance for further study. Frequently Asked Questions related to each chapter provide answers to questions asked by other students. Students using Web Tutor can gain valuable information by paying close attention to these questions and answers just as students would in the classroom.

*Medical Terminology in a Flash!* Lisa Finnegan, Sharon Eagle, 2015-10-23.
