

THE BANNOCKBURN SPELL

NANCY ADAMS

The Bannockburn Spell

Alfred Emanuel Smith, Francis Walton

The Bannockburn Spell:

The Bannockburn Spell Nancy Adams, 2013-05 With the help of a bet a 800 year old marriage contract and a spell ex SBS soldier Will might just have enough in his arsenal to capture Meghan's heart Since arriving in Little Glen Scotland Meghan Kennedy's life has gotten decidedly more interesting She entered into a bet with hunky ex SBS soldier Will betting him that she would not fall in love with him She discovered an ancient marriage Contract specifically designed to join her family to Will's and to top it all off she learns that she had a spell cast on her 800 years before she was even born None of it mattered because she refused to make the same mistake twice Will's hard body and sexy grin didn't matter his beautiful hypnotic eyes didn't matter and it didn't matter that every time they kissed her body would call out for his as though denied his touch for hundreds of years Ex SBS soldier William Mackenzie is disciplined trained to be an efficient soldier and he takes the same approach with his business and life Then Meghan arrived with her fiery temper and hair to match and he knows she is lying about the reasons why she came to Little Glen he just doesn't care All he does care about is Meghan Her feisty temper bemuses him her beauty astounds him and her stubbornness annoys the hell out of him Lucky for him he doesn't know how to quit he can be just as stubborn and occasionally ruthless and he will use any means necessary to get her Of course the means at his disposal just happen to be a bet a marriage contract and an ancient spell but in the end Meghan belongs to him who was he to argue

Sailing Into Disaster Constance M. Jerlecki, 2017-02-10 One of the most prominent geographical features of North America the Great Lakes played a pivotal role in the economic and industrial development of Canada and the United States While allowing the establishment of a highly efficient transportation system these freshwater seas have also proven particularly unforgiving when stirred up by the forces of nature Capable of producing some of the most treacherous conditions faced by mariners anywhere on the globe the Great Lakes have claimed thousands of vessels since the earliest days of navigation on their waters Sailing Into Disaster details the stories of ten vessels that met their demise without leaving a single survivor Ranging from early wooden schooners to steel steamships the tales included in this volume represent not only the perils faced by these vessels but also their crews prior to the advent of modern navigation equipment While a few of their number have been uncovered through concerted search efforts the majority of these lost ships remain elusively hidden in the watery depths of these landlocked oceans Among others this book includes the loss of an early Great Lakes schooner on Lake Superior the mysterious disappearance of a steel steamer that sparked tales of it becoming a wandering ghost ship the unexplained sinking of two naval trawlers a small tugboat that sailed into oblivion on Lake Erie and a self unloading bulk carrier that remains missing in the depths of Lake Michigan to this very day A lifelong resident of Michigan Constance M Jerlecki has written four books concerning the history of the state she calls home This is her first book on Great Lakes shipwrecks
