## Where Can I Buy The Book Insurgent:

**Inside Insurgency** Claire Metelits,2010 Through interviews and on the ground research this book provides a new explanation of the nature of insurgent group behavior Through case studies of the SPLA FARC and PKK it offers an intimate understanding of modern day insurgent terrorist groups and their tactics as well as an explanation of the changing behavior of insurgent groups toward the civilians they claim to represent    **John Reed and the Writing of Revolution** Daniel Wayne Lehman,2002 Reed thereby alienated literary critics who had idealized timeless artistry against the rough and tumble world of historical details and political implications

**New Constitutionalism and World Order** Stephen Gill,A. Claire Cutler,2014 This path breaking collection analyzes the dialectic between legal and constitutional innovations intended to inscribe corporate power and market disciplines in world order and the potential for challenges and alternative frameworks of governance to emerge It provides a comprehensive approach to neoliberal constitutionalism and regulation and limits to policy autonomy of states and how this disciplines populations according to the intensifying demands of corporations and market forces in global market civilization Contributors examine global and local public policy challenges and consider if the ongoing crises of capitalism and world order offer states and societies opportunities to challenge this loss of policy autonomy and potentially to refashion world order Integrating approaches to governance and world order from both leading and emerging scholars this is an innovative indispensable source for policymakers civil society organizations professionals and students in law politics economics sociology philosophy and international relations
