Around World 80 Days Greek:

Around the World in Eighty Days Jules Verne,1995-02-23 Jules Verne's classic a bestseller for over a century has never appeared in a critical edition before William Butcher's stylish new translation moves as fast and as brilliantly as Fogg's own journey Having assured the members of London's exclusive Reform Club that he will circumnavigate the world in 80 days Fogg stiff repressed English starts by joining forces with an irrepressible Frenchman Passepartout and then with a ravishing Indian beauty Aouda Together they slice through jungles over snowbound passes even across an entire isthmus only to get back five minutes late Fogg faces despair and suicide but Aouda makes a new man of him able to face even the Reform Club again Around the World in Eighty Days 1872 contains a strong dose of post Romantic reality plus extensive borrowing from the author's own Journey to England and Scotland but not a shred of science fiction Its modernism lies instead in the experimental literary technique with parallel plots a narrator constantly made to look foolish four characters in search of their own unconscious and a unique twisting of space and time Verne's classic a bestseller for over a century has never appeared in a critical edition before William Butcher's stylish new translation moves as fast and as brilliantly as Fogg's own journey

Around The World In Eighty Days Michael Palin,2010-05-27 The pace of this kind of travel has not much changed since Fogg set out in 1872 Trains may be a little faster but there are certainly no high speed rail links yet across India China or the USA Passenger services have practically disappeared from the world's shipping lanes Recourse to air travel even as a convenient means of escape was not allowed Following the route taken by Phileas Fogg 115 years earlier Michael Palin set out from the Reform Club to circumnavigate the world The rules were simple but nothing else about the trip was straightforward From a tour of Venice on a rubbish barge to ship spotting at the Suez Canal and the bicycle rush hour and snake snacks in China this is an unparalleled tribute to man's ability to make life difficult for himself **A**
