Art Nouveau Works Should Know

Susie Hodge

Art Nouveau Works Should Know:

Art Nouveau Susie Hodge, 2015-11-25 A new edition to Prestel's popular 50s series this collection of the finest examples of Art Nouveau shows how the movement impacted every artistic discipline The heyday of the Art Nouveau style was relatively short spanning the decades immediately before and after 1900 However it was a tremendously important period not only for its radical shift away from the academic and romantic movements of the late 19th century but also for its embrace of nature and natural forms This authoritative accessible and beautifully illustrated book explores fifty of the most important works of the Art Nouveau style From Mackmurdo's jacket design of Christopher Wren's City Churches to Sykes sculpture The Spirit of Ecstasy each work is presented in double page spreads that chronologically trace Art Nouveau's development and breadth from architecture Gaudi's Sagrada Familia and graphic arts Toulouse Lautrec's poster advertising the Divan Japonais to home decor lamps by Tiffany and Daum Freres and painting Munch's Madonnas and Walter Crane's Neptune's Horses Each entry includes a full page illustration and concise explanatory texts An introductory essay on the history and legacy of Art Nouveau along with brief biographies of the artists featured in the book make this a comprehensive yet compact reference work

Continuation Classes and Central Institution Reports, 1904 *Journal of the Royal Society of Arts* Royal Society of Arts (Great Britain), 1908 *Saturday Review of Politics, Literature, Science and Art*, 1908
