Calendar 2014 Laurel Marie Sobol Laurel Sobol, 2013-04-05 The perfect calendar for 2014 is here Lunar chart to coordinate HAARP TTA EMF ELF intensity bombardments on world Special note areas for those times you don't want to forget those special people and times in your world End of calendar journal area to highlight parts of the year you'll always want to remember with joy Thank you for your purchase every sale goes toward the betterment of mankind **Pictures and the Past** Alexander Bigman, 2024-06-25 The group of artists known as the Pictures Generation are usually thought to have rebelled against abstract and minimalist art by bringing back figural techniques and borrowing liberally from the aesthetics of mass media and advertising Challenging conventional interpretations of this group Alexander Bigman argues that these artists especially Robert Longo Jack Goldstein Sarah Charlesworth Gretchen Bender and Troy Brauntuch deployed totalitarian and fascist iconography to pose new politically loaded questions about what it means to perceive the world historically in a society saturated by images Throughout he also situates their work in the context of other developments taking place in New York City at the time including music fashion cinema and literature This is a book about art popular culture and memory and especially about how the specter of fascism loomed for these artists in the 1970s and 1980s and the ways it still looms for us today **Art After Instagram** Lachlan MacDowall, Kylie Budge, 2021-12-30 This book explores the effects of the Instagram platform on the making and viewing of art Authors Lachlan MacDowall and Kylie Budge critically analyse the ways Instagram has influenced artists art spaces art institutions and art audiences and ultimately contemporary aesthetic experience The book argues that more than simply being a container for digital photography the architecture of Instagram represents a new relationship to the image and to visual experience a way of shaping ocular habits and social relations Following a detailed analysis of the structure of Instagram the tactile world of affiliation follows aesthetics likes and attention comments the book examines how art spaces audiences and aesthetics are key to understanding its rise The book will be of interest to scholars working in art history design digital culture cultural studies sociology education business media and communication studies **Creative Presence** Emily Merson, 2020-09-11 Historically artwork has played a powerful role in shaping settler colonial subjectivity and the political imagination of Westphalian sovereignty through the canonization of particular visual artworks aesthetic theories and art institutions methods of display Creative Presence contributes a transnational feminist intersectional analysis of visual and performance artwork by Indigenous contemporary artists who directly engage with colonialism and decolonization This book makes the case that decolonial aesthetics is a form of labour and knowledge production that calls attention to the foundational violence of settler colonialism in the formation of the world

order of sovereign states Creative Presence analyzes how artists purposeful selection of materials media forms and place making in the exhibitions and performances of their work reveals the limits of conventional International Relations theories methods and debates on sovereignty and participates in Indigenous reclamations of lands and waterways in world politics Brian Jungen s sculpture series Prototypes for New Understanding and Rebecca Belmore s filmed performances Vigil and Fountain exhibit how colonial power has been imagined visualized and institutionalized historically and in contemporary settler visual culture These contemporary visual and performance artworks by Indigenous artists that name the political violence of settler colonial claims to exclusive territorial sovereignty introduce possibilities for decolonizing audiences sensibilities and political imagination of lands and waterways [Tactile Arts Calendar 2014](#) Tactile Arts Contemporary Craft Studios and Gallery,2014

Digital Art Christiane Paul,2023-04-27 Digital art along with the technological developments of its medium has rapidly evolved from the digital revolution into the social media era and to the postdigital and post Internet landscape This new expanded edition of this invaluable overview of the medium traces the emergence of artificial intelligence augmented and mixed realities and Non Fungible Tokens NFTs and surveys themes explored by digital artworks in the areas of activism networks and telepresence and ecological art and the Anthropocene Christiane Paul considers all forms of digital art focusing on the basic characteristics of their aesthetic language and their technological and art historical evolution By looking at the ways in which internet art digital installation software art AR and VR have emerged as recognized artistic practices Digital Art is an essential critical guide

Scansion in Psychoanalysis and Art Vanessa Sinclair,2020-11-16 Scansion in Psychoanalysis and Art examines a strain of artists spanning more than a century beginning at the dawn of photography and culminating in the discussion of contemporary artists to illustrate various psychoanalytic concepts by examining artists working in a multitude of media Drawing on the theories of Sigmund Freud who applied psychoanalytic methods to art and literature to decipher the meaning and intention of the creator as well as Jacques Lacan s dissemination of scansion as a powerful disruption of narrative the book explores examples of the long and rich relationship between psychoanalysis and the fine arts Whilst guiding readers through the different artists and their artforms from painting and music to poetry collage photography film performance art technology and body modification Sinclair interrogates scansion as a generative process often inherent of the act of creation itself This is an intriguing book for psychoanalysts psychologists and creative arts therapists who wish to explore the generative potential of scansion and the relationship between psychoanalysis and the arts as well as for artists and art historians interested in a psychoanalytic view of these processes
