### **Introduction to Family Counseling** Judy Esposito,Abbi

Hattem,2015-12-01 Introduction to Family Counseling A Case Study Approach presents basic knowledge about family counseling and applies various theoretical models to a case example looking at one nuclear family along with its extended family members that readers follow throughout the text Judy Esposito and Abbi Hattem s multi generational family is constructed from their experiences as professors and family therapists to exemplify the concepts and theories of family counseling Beyond the theories of family counseling students learn about the family life cycle and various tools for assessing families as well as the history of family counseling Ethical issues relevant to family counseling are also included along with

transcripts from hypothetical family counseling sessions throughout the book. In addition the book focuses on working with diverse families and takes special care to emphasize multicultural issues. **Counseling and Psychotherapy** David Capuzzi, Douglas R. Gross, 2014-11-04. This student friendly and well designed introductory text provides a thorough overview of 14 widely used theories. Experts examine each theory from the perspective of its historical background, major constructs, goals, cross cultural considerations and limitations. Traditional and brief interventions integrate theory with specific counseling strategies giving students further insight into the counseling process and guidance in developing their personal counseling style. A consistent case study across chapters reinforces the differences between theories and illustrates assessment of client concerns and treatment planning. Introductory chapters explore core dimensions and brief approaches to the helping relationship and how to best deliver counseling and advocacy services to diverse client groups. A complimentary test manual and PowerPoints for instructors use are available by request on university letterhead.
