Been There All Along:

Making Game Peter L. Atkinson, 2009 *Making Game* is a mixed genre composition in which the author reflects on the philosophical and ethical implications of hunting wild game. Through the activity of hunting, Atkinson finds a connection to the roots of his identity, both his family history and his sense of self. This engaging essay is informed by the author's significant background of scholarly engagement with the phenomenological tradition in modern philosophy, represented by the work of Husserl, Heidegger, and Merleau-Ponty.

Why, God? Kevin Kozar, 2010-10-29 Are you a Christian but know someone who is an atheist or an agnostic and you would like them to consider Christianity? Are you yourself an atheist or an agnostic? Are you a person who considers themselves spiritual but not religious? Do you consider yourself a Christian but have difficulty embracing your faith? Are you a Christian that is consumed with doubt? This book attempts to answer the questions people have about God, the Bible, and Christianity.

Bel Air Katherine Stone, 2022-03-15 All that glitters isn't gold sometimes it's love. In the lush sun bright splendor of southern California three women, three friends, search for the courage to dream to trust to love. But there are dark secrets and hidden betrayals that must first be overcome. A terrible accident has stolen Allison Fitzgerald's dreams and it has taught her that life is too precious and too fragile to waste. So when she meets a man who evokes a passion in her that she has never known before she surrenders to his love without questioning his secretive past. Gifted and beautiful actress Winter Carlyle has learned from painful experience that the people she loves always leave her and that it is far too dangerous to care and that she is only liked when she is pretending to be someone she is not. Still she is willing to risk everything for the doctor who sees beyond the pretense. But is he willing to risk everything for her? Emily Rousseau only feels safe, only feels free when she is behind the lens of her camera, safe and free from the men who want her and want to hurt her. The portraits she takes are works of art and there is one man unlike any other man she has ever known who sees not only the talent in her work but the loveliness in her. But can she accept the love and face the demons that will free her from her past? Praise for the novels of Katherine Stone: Remarkably romantic and thoroughly enchanting. *Rendezvous* on Pearl Moon Poignant. Cass is an intrepid heroine but it is Chase who wins our hearts when he refuses to allow Cass's seeming betrayal to stop him from protecting his beloved. *Midwest Book Review* on *Bed of Roses*: Fairytale elements mix with those of a present day romance for thoroughly enjoyable results. *Kirkus Reviews* on *Rainbows*: With this tightly woven, suspenseful plot peopled with memorable characters, Stone has produced another surefire hit. *Booklist* on *Imagine Love*: Sweeping drama. Her most emotionally charged and intricate story of love yet. *Romantic Times* on *Imagine Love*: Alluring. Fascinating. Each page brings a new adventure, every plot twist another question begging to be answered. *Rendezvous* on *Imagine Love*: Katherine Stone writes in the vein of Danielle Steel and Sandra Brown. *Library Journal*: Katherine Stone's high quality romance ranks right up there with Nora Roberts. *Booklist* on **Princess Diana** Emanuela Maria Lecca, 2012-09-14 The book of Princess Diana. The Haunting Story of the English Rose is an explicit book about the death of Princess Diana and is

a well documented book for the discerning reader to understand all that Princess Diana went through to reach out to her sons and the world and is striving to be with us again in making her love be understood to many This is a very sad book about all she went through and is pleading out to all to deliver her message to her sons and the world to know they are loved by her Princess Diana has given her love to many and continues to do so Princess Diana who implores many to come to terms with their lives and to walk through her steps and follow her through what life is like when your life has to come to an end in this world She has given her utmost throughout this book and is a very sad account that many will come to understand her and imploring her love to reach out to her sons and the world around us in coming to terms what their eventual outcome will be and to be with her through all that she is going through and to hold her close to your heart again Many will appreciate Princess Diana and love her and would want her story to be heard of all that she is going through to be with her sons and the world Whenever such a book was created as unique as this one it will make you see through her eyes
