Before And After Zachariah:

Before and After Zachariah Fern Kupfer,1982 Zachariah is so beautiful that it takes your breath away He is also brain damaged This story is not about the disguised blessings that special children bring to their families or about how tragedies strengthen family relationships It is a gripping realistic look at how the birth of Zachariah wreaked havoc on the lives of his parents and sister This is a story of tremendous courage as the Kupfers decide to have Zach cared for in a residential facility Here we learn that there are alternatives and that they too are honorable
