**Paperback - Beginner's Guide to Digital Painting in Photoshop** Linda Holmes, 2020-09-27 This book is absolutely incredible

This book will advance my skills The tutorials start out good You begin a chapter and they tell you that you are going to be walked through doing something like making a set of brushes Cool

You begin with lots of photos of your workspace to help you navigate the myriad of menus and buttons Usually around half to

3/4 of the way through the lesson though you end up with some vague direction like finish the details how you like or play

around with the different settings

**Foundational Techniques for Mastering Environment and Character Concept Art** Lee Stocks, 2026-02-26 This is a comprehensive guide to the process of generating ideas for creating character and environment

art The book shows comprehensive workshops and techniques to embed the fundamentals of designing characters and

environments for games and film The underlying process is explained and demonstrated to give a straightforward approach

that anyone can use Using these processes you will be able to produce designs that are straight out of your imagination This

book teaches you how to use your imagination to design characters and environments As well as evolving these ideas through

the various stages of ideation the book covers both environment and character workflows The book is accompanied by a

series of videos breaking down the process of research and creation as well as additional exercises and breakdowns of good

workflow for readers to follow along with as they develop their skills This book will be of great interest to anyone looking to gain a grounding in the theory and practice of concept art for character and environments It will be particularly useful for students on Game Art courses **Paperback - Beginner's Guide to Digital Painting** Brooklyn Riggs,2020-10-08
