RECONNECT With God in a Noisy World Kingsley Uzoma, 2025-12-29 Life is loud. Distractions are constant. But God is still speaking. Many believers today feel stretched thin, pulled in every direction by responsibilities, notifications, and the pressure to keep up. In the midst of all this noise, it's easy to feel spiritually tired, disconnected, or unsure of how to slow down and truly hear God again. *RECONNECT With God in a Noisy World* was written from that very place. It grew out of a personal journey marked by questions of growth and a deep desire to walk more closely with God in the middle of modern life. This book doesn't rush you or offer shallow answers. Instead, it invites you to pause, reflect, and honestly examine what may be quietly pulling your attention away from God's presence. Through biblical insight, thoughtful reflection, and practical spiritual wisdom, this book helps you recognize how modern distractions subtly affect your faith. Develop a quieter, more attentive heart toward God. Rebuild consistency in prayer and spiritual discipline. Rediscover peace, clarity, and intimacy with God. This is not a book about having it all together. It's about returning to stillness, returning to faith, and returning to God. If you feel spiritually overwhelmed, disconnected, or simply longing for something deeper, this book will meet you where you are and gently guide you back to the One who has been waiting all along.

Will Ferrell Saved My Life (...and God Helped) B.L. Iyver, 2021-07-21 When living becomes harder than dying, what option is there to end the suffering other than suicide? For men who are both proud and ashamed, we do not ask for help and often simply do not want it. But there is no question we need it. The afflictions from which we suffer leave us exhausted and defeated, barely hanging on to manage keeping our jobs, sustaining a marriage, or hoping to raise children without doing more damage than good. Anxiety and depression are brutal punishers that come and go without invitation, and our quest to control and defeat them can take us to the brink of sanity just as much as the afflictions themselves already do. Thoughts that are irrational appear rational, and options that are terrible can appear to be acceptable. Perhaps if I was no longer here, I could end my suffering and finally rest. I could end the suffering of those around me and no longer be a burden that neither they nor I will ever overcome. Suicide. Why are so many choosing it? As COVID 19 ravages the emotional health of millions of people around the globe, the isolation and disruption are pushing those of us suffering from anxiety and depression even closer to the edge, if not completely over it. But death is not the answer, and suicide is not the only choice. Through my

story I hope to help you the reader find relatability and claw your way to a point of resolve that will allow you to take steps toward saving yourself For the sake of yourself and those you love preserving your life can be done Please don t give up Whether you are currently a Christian or not it does not matter You can be saved **Frank Leslie's Sunday Magazine**
