Becoming Magic: A Course in Manifesting an Exceptional Life (Book

1) Genevieve Davis, **Becoming Magic** is book one of a complete course in becoming creator of your own exceptional life. In this book I outline the exact steps that enabled me to move my own life from one of poverty and drudgery to one of previously unimaginable wealth, purpose, abundance and joy. But Magic I do hope you are joking. That's what I would have said five or ten years ago. I once despised all things New Age, all these spiritual types and their airy-fairy views, their bad science and their irrational beliefs. I read all the New Thought and Law of Attraction greats: Wallace Wattles, Anthony Robbins, Rhonda Byrne, Napoleon Hill, Esther Hicks and Wayne Dyer. But no matter how many books I read or how closely I followed their instructions for manifesting money or love, I couldn't make it work. It was only when I recognized, accepted and finally embraced that what I was doing was actually some kind of Magic that suddenly things began to fall into place. Once I realized that the power came from within me, it was as if the light had suddenly been switched on and my manifestations began to work. I learned how to manifest money and love, but I also learned how to be happy, truly happy. If you're jaded by New Age spirituality and the whole Law of Attraction idea or have become bored by its failure to deliver, this book is for you. It is my intention to lead you by the hand through a marvelous journey of wonder and adventure. Part one of this course, **Becoming Magic**, lays the groundwork for becoming a magical person, while part two, **Doing Magic**, offers concrete techniques and instructions for bringing wonderful things into your life. The plan is to build your knowledge slowly, gradually building on what has gone before, moving on to more complex techniques only once the basics are mastered. So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques, trying to create enormous manifestations, making very simple but crucial mistakes. When they are disappointed, they imagine they have been duped. The sceptics are right. This is all a load of scammy nonsense. And they give up, declaring it just doesn't work. I am telling you that it does work. And you can make it work. And this book will show you how. My intention is that this book will allow you to become a true creator of your own exceptional life, reawakening and rekindling your belief and interest in Spirituality, The Law of Attraction, Reality Creation, Cosmic Ordering, New Thought or whatever you wish to call it. I prefer simply to call it Magic.

Becoming Genevieve: An Extraordinary True Story of Believing in Magic Genevieve Davis, What if I told you I could do magic, real magic? Would you believe me? It was 2010 and I had wasted my life. Stuck in a dead-end job, divorced and in debt. For me, every day was much like the last. But things were about to change. Dramatically. So how did a lonely, overweight, depressed 40-something woman go from poverty, debt and despair to a life of fulfilment, happiness, wealth and spiritual awakening? Did I rob a bank, win the lottery or marry a millionaire? Did I see doctors, therapists and counsellors? Did I join a cult? No, none of these things. I used Magic. In this book, I share my true life story of exactly how I went from rags to riches, from depression to awakening and created a truly exceptional life for myself. Over the last few years, I've had many adventures and fantastic experiences. I have

also life changing insights into magic manifesting and the whole business of being alive These insights had such a profound effect on me they ve changed my whole outlook on the world I didn t know this sort of peace of mind was possible I didn t know life could get this good And until now I told no one how I did it Writing under the pen name Genevieve Davis I chose to remain completely anonymous hiding my secret identity even from my own family Finally I have decided to go public with this bitingly honest account of my discovery mastery and belief in what I like to call Magic By revealing my true identity I can finally prove to you that everything I said in my early books about manifesting an exceptional life was true All of it And then I want to help you see what I have seen I want to help you understand what I now understand I want you create a life just as exceptional For lovers of self help memoirs and for those who like to believe that life should be magnificent Even sceptics may read this book and start to wonder Is Magic actually real *Becoming Rich: A Method for Manifesting Exceptional Wealth* Genevieve Davis, Now in response to huge reader demand this latest addition to my magical Course in Manifesting series turns to the subject of money In Becoming Rich you ll not only learn the precise details of how you can use Magic to transform your entire financial world and start bringing money flowing to you So why Magic Only a few years ago I lived in a tiny flat working twelve hours a day in a factory for minimum wage Today I live in a beautiful home by the sea often earning more in one month than I used to in an entire year In this book you will discover the steps that enabled me to turn my financial life around in this amazing life changing way The change in my financial circumstances was so dramatic it makes more sense to describe it as involving Magic than anything else And when money starts to come tumbling your way in a manner that goes far beyond mere coincidence and luck you will no longer doubt that Magic exists Yet my finances were actually the last thing I mastered magically I felt cursed blocked financially stuck for ages But having got things right once or twice I went on to discover that even after a lifetime of poverty money turned out to be the very easiest thing of all to manifest using Magic And I went on to bring an unbelievable amount of money into my life If you re jaded by the whole New Age Law of Attraction idea or have become bored by its failure to deliver this book is for you Because this is a practical book offering concrete techniques and instructions for bringing wonderful things into your life You re looking at this book because you need money and it s now time to bring that money into your life The plan is to build your knowledge slowly gradually building on what has gone before moving on to more complex techniques only once the basics are mastered So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques trying to create enormous manifestations trying to manifest huge sums of money off the bat but making very simple yet crucial mistakes When they are disappointed they imagine they have been duped The sceptics are right This is just a load of nonsense Then they give up declaring it just doesn t work But I can assure you it does work And you can make it work This book will show you how My intention is make sure that Becoming Rich will allow you to become a true creator of your own financial life reawakening and rekindling your belief and interest in The Law of Attraction Reality Creation Cosmic Ordering or whatever you wish to call it I
