important biblical book Noted biblical scholar Bruce M Metzger presents the fruits of solid scholarship in a non academic style This revised edition includes updates based on current biblical research as well as additional teaching from author and respected New Testament scholar David deSilva The Leader Guide contains everything needed to guide a group through the six week study using the DVD and book including session plans activities and discussion questions as well as multiple format options It also includes alternatives for adapting the study to 4 or 8 weeks to fit your group s needs *Mountain Tops - Bible Prophecy as History unfolds* Tony Smits B.Th - Ian Traill D.Min, The evidence found in the Old and New Testament of His return is overwhelming therefore it is safe to conclude He is coming back So it is evident Jesus is coming back to the Mount of Olives We see that there is going to be a time of upset wars troubles and earthquakes about and around that time So when Christ comes back the earth will undergo a time of great change trouble and unrest Scripture is given not to frighten us but to tell us something that is certain to happen just before He comes so we are not asleep but we are eagerly anticipating the coming events *Earth's Final Hour* Ed Hindson, 1999-08-15 Some people say that the last days are upon us right now Others say the end times are in the distant future Who is right Is it possible to know If you re wondering what you can know for certain about the timetable of last days events you ll find answers in this book Can I still believe in the soon return of Christ Why have so many people miscalculated the second coming How can Christ s return be imminent if there are still unfulfilled prophecies This balanced look at the unfolding of Bible prophecy in a wildly chaotic world will help you sort fact from fiction Learn how to avoid excessive speculation and receive hope inspiration and a very clear picture of what God has revealed for about the last days Synergy of Scripture Ian Traill D.Min., This beautiful term through a glass darkly is found in the Old King James Bible and it is referring to looking into a poor quality mirror getting some distortion in your reflection or as the Darby translation puts it through a dim window obscurely The glass darkly effect of seeing the truth of the Bible only in part is caused by the lapse of time the history of the Church non Spirit led people a denominational accommodating theology to justify a particular stance and our fallibility as humans In many cases these factors have caused us at times to be unfaithful to His Word Some may read this book and say I am a literalist or purist but before you judge me please consider God s Word when it says in Ephesians 4 5 one Lord one faith one baptism which could be a catch cry for unity in the Body of Christ the Church but sadly many differ in what even this statement means A rhetorical question Who can say they are 100% correct in their perspective of understanding Scripture Here is the challenge could we make a statement of faith based on Ephesians 4 5 that will bring unity And if most of us are honest we will say I am right and if you adopt what I say then everything will be fine Of course this position is unworkable when viewing an attempt of unity A synergistic understanding of the Bible requires a three point perspective One the Bible is God s Word Two the Bible is settled whether I understand it or even believe it Three I am blessed if I believe it and follow its direction for my life While reading this book please consider that God has placed in creation and in His Word a synergy when adhered to will bring a unity **The Incomparable Christ**
