To what extent does the Hybridity of Language also reflect Yunior's Cultural Identity?*, 2023-12-12 Seminar paper from the year 2021 in the subject Cultural Studies Miscellaneous Justus Liebig University Giessen Anglistik course Contemporary Fictions of Migration language English abstract This term paper deals with the aspect of hybridity in Junot D az novel The Brief Wondrous Life of Oscar Wao on the linguistic level The first part of the term paper deals with the concept of hybridity by Homi K Bhabha and Sten Pultz Moslund Afterwards the second part will focus on the narrative level in the writing of Yunior The arguments will be based on a close look at the novel and the theories about cultural hybridity Finally the results of the chapters will be summarized to show and prove the hybrid point of view of the novel The highly acclaimed novel was published in 2007 and won among others the Pulitzer Prize for Fiction 2008 It tells the story of Oscar a Dominican American boy who grows up in the immigrant neighborhood of Paterson New Jersey influenced by U S society the diaspora and Dominican culture The main conflict of the novel takes place between Oscar and the world As an overweight brown skinned fantasy loving boy Oscar tries to find a sense of love and affiliation in a society that mostly rejects him However the novel focuses not only on Oscar s life but it also deals with the history of three generations of families all of whom struggle with their identities The narration of the story effectively captures diasporic identity because of the narrative style in the novel The English language is interspersed with Spanish colloquialisms This hybridity of language reflects the world of the Caribbean which shaped the author and as it were his characters Hence the in betweenness

represents an important part of the book The narrative style namely the usage of Spanglish also reflects in a certain way the own cultural identity since language can reflect a person's self perception as well as their world view Furthermore these two languages represent both countries and cultures that are relevant to the characters of the novel and their identity In addition to the use of multiple languages Diaz's fiction deploys a range of different registers
