Non Profit Organizations Financial Report:

Understanding Nonprofit Financial Statements Steven H. Berger, 2008 This book concentrates on one major and widely recognized method of measuring value financial statements and their implications for outcomes. It is organized to maximize a nonprofit board member's understanding of the most important financial elements within his or her organization. At the outset the book reviews the function of the board in its goal setting role which includes financial outcomes. This sets the stage for examining the differences between simple accounting and the board's function in analyzing accounting numbers to portray financial outcomes. Understanding the major elements of the financial statements is the heart of the book and attention is given to the key ways in which those elements represent the real financial outcomes of the operations performed by the organization's senior management and staff over the relevant time period. The remainder of the book highlights similarities and differences of interim versus audited financial statements, some very specific ways to use available financial information to fulfill the board's fiduciary responsibilities, and finally how to utilize financial information to measure organizational performance. Included is a CD ROM that contains sample financial documents and a Microsoft PowerPoint presentation on financial practices that can be used at board meetings to improve financial skills. P ix

Unified Financial Reporting System for Not-for-Profit Organizations

Russy D. Sumariwalla, Wilson C. Levis, 2000-09-14 Sponsored by CompassPoint Nonprofit Services formerly known as the Support Center for Nonprofit Management Nonprofit Development Center. Nothing can be more important to an organization's health and success than the quality of its financial reporting. This comprehensive guide is for all nonprofits that are required to comply with financial reporting standards set by the IRS and thirty five state charity regulators. Form 990, FASB and AICPA GAAP, grantmakers and the like. Much more than a standard accounting manual, this book is a thoughtful guide to improving financial reporting so organizations can focus on the business of fulfilling mission, developing essential programs and serving communities. In playing chess, the move that accomplishes several purposes is the strongest. This book does exactly that for nonprofits. It gives computer technology the ability to produce reports for funders, budget managers, governmental regulators and taxing authorities all from one set of financial data input only once. Charles Kirkland, former chair, AICPA Not for Profit Organizations Committee and founder, Kirkland Eckels Co. Well defined, relevant and reliable guidelines that should enhance the quality and credibility of financial reports. Kevin A. Kavanaugh, vice president, financial services, American Diabetes Association. Helps to simplify and align the federal state record keeping and reporting. James J. Caputo, Sr. consultant and chair, the Greater Washington Society of CPA's Not For Profit Organizations Committee. Provides management with a wide variety of information that was not previously available. Dennis F. Dycus, director, Office of the Comptroller of the Treasury, Division of Municipal Audit, State of Tennessee. As we move into the age of nonprofit financial transparency and instant Web access to reporting documents, it is imperative that nonprofit practitioners, accountants and lawyers understand and implement the concepts embodied in this guide.
