Bridge Across The Ocean:

A Bridge Across the Ocean Susan Meissner, 2017-03-14 Wartime intrigue spans the lives of three women past and present in this emotional novel from the acclaimed author of *The Last Year of the War* February 1946 World War Two is over but the recovery from the most intimate of its horrors has only just begun for Annaliese Lange a German ballerina desperate to escape her past and Simone Deveraux the wronged daughter of a French Resistance spy Now the two women are joining hundreds of other European war brides aboard the renowned RMS Queen Mary to cross the Atlantic and be reunited with their American husbands Their new lives in the United States brightly beckon until their tightly held secrets are laid bare in their shared stateroom When the voyage ends at New York Harbor only one of them will disembark Present day Facing a crossroads in her own life Brette Caslake visits the famously haunted Queen Mary at the request of an old friend What she finds will set her on a course to solve a seventy year old tragedy that will draw her into the heartaches and triumphs of the courageous war brides and will ultimately lead her to reconsider what she has to sacrifice to achieve her own deepest longings CONVERSATION GUIDE INCLUDED

Down by the Sea Talaylin Zeppa, 2011-12-17 Down by the Sea is based on a traditional childrens song Down by the Bay Where the Watermelons Grow It is unknown who the original song is attributed too but a version was made famous by Raffi and Randy Luxton in 1976 and appears on the album Singable Songs for the Very Young I wrote Down by the Sea as a fun teaching tool to explore the call and response musical genre through quirky rhythm and rhyme I encourage you to improvise around the melody experiment with different voices for each character explore a range of dynamics and tempos and make up actions for the repeated chorus And just for fun make lots of noise and add a big clap on each BOOM
