Sociology Richard T. Schaefer, 2011-10 ISE SOCIOLOGY RICHARD T. SCHAEFER, 2021 Sociology Matters Richard T. Schaefer, 2007-02-23 Richard Schaefer's *Sociology Matters* is a very concise introduction to the discipline of sociology. Its straightforward style, streamlined design, and highly focused coverage make it the perfect short, affordable introductory text for instructors who use a variety of materials in their course. *Sociology Matters* helps students understand and connect to the topics it covers by answering the question: How does sociology matter? After more than 30 years of teaching sociology to students in colleges, adult education programs, nursing programs, an overseas program based in London, and even a maximum security prison, I am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills. Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures. Richard T. Schaefer **Sociology, with PowerWeb** Richard T. Schaefer, 2005-12 Like its predecessors, the tenth edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive, up-to-date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, distinctive social policy sections, examples of interest to students, and abundant learning aids and exercises, this text will help students develop a sociological imagination. An optional package combines Schaefer's *Sociology with PowerWeb Tenth Edition* and *Reel Society Interactive Movie 2.0* CD-ROM at nominal extra cost. The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors. The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment, the AIDS crisis, welfare reform, the death penalty, and privacy and censorship in an electronic age. Richard T. Schaefer **Sociology in Modules** Richard T. Schaefer, 2020 Sociology and Your Life P.O.W.E.R. Learning Robert Feldman, Richard T. Schaefer, 2015-05-29 **Sociology Matters** Richard T. Schaefer, 2023 Sociology has been my life's work for several decades. In the classroom and in the pages of my textbooks, I have tried to spark students' interest in the discipline by showing them its real-life implications. My aim has been to convince students that sociology is more than just another academic pursuit, an exercise in scholarship for the sake of scholarship. Sociology illuminates the world around us: our families, schools, neighborhoods, and other familiar institutions we have lived with all our lives. It puts into larger perspective our culture and our socialization, the way we come to be, the way we are. Sociology makes us think deeply about the divide between ourselves and those of different races, classes, and ethnicities. It forces us to recognize the effects of power, technological advances, electronic media, and the increasingly rapid process of social change on our own lives. Sociology matters to you, me, and everyone with a stake in the society we live in. **Racial and Ethnic Groups** Richard T. Schaefer, 2008 For one semester, one quarter, Sociology and General Education courses in Race and Ethnic Relations, Richard Schaefer grew up in Chicago in the 1960s at a time when neighborhoods were

going through transitions in ethnic and racial composition He found himself fascinated by what was happening how people were reacting and how these changes were affecting neighborhoods and people s jobs These experiences led to a career in sociology and he is now a leading scholar on racial and ethnic relations This book grew out of a desire to help students to understand the changing dynamics of the U S population This text is an accessible comprehensive and up to date introduction to the issues confronting racial and ethnic groups in both the U S and other countries Organized first by issues and then by major racial and ethnic groups The text examines each group s history explores its current situation and its concerns for the future perspective in the first part of the text lays the foundation for students to understand and discuss the history and contemporary state of each racial and ethnic group presented in the latter part of the book

LooseLeaf Schaefer Sociology A Brief Introduction 11e Richard T. Schaefer, 2014-08-29 Make Sociology new with McGraw Hill's Connect Sociology and the 11th edition of Sociology A Brief Introduction. New to Connect is Connect Insight, the first and only analytics tool of its kind. Connect Insight is a series of visual data displays, each framed by an intuitive question to provide at a glance information regarding how your class is doing. Connect Insight makes razor-sharp ties between the analysis it provides and the decisions instructors make. We pride ourselves on providing sophisticated technology that is intuitive and simple. Our elegant navigation allows professors to focus on what's important, powering motivation within their classes. Connect also comes with LearnSmart, an adaptive questioning tool proven to increase content comprehension and student results, as well as fun interactivities that teach sociology's three theoretical frameworks. Finally, make sure students come prepared to class by assigning our many e-book activities. With McGraw Hill's digital tools, focus on what you do best: teaching. Unique to this program, Sociology A Brief Introduction encourages students to take sociology with them in their everyday lives, just as Rick keeps a small notebook of daily sociological events. In Sociology Brief, instructors get the most trusted content in manageable form. This coupled with powerful digital learning tools makes Sociology Brief an ideal choice for your introductory course. **Sociology: A Brief Introduction Loose Leaf** Richard T.
