Going Up the Country Yvonne Daley, 2018-06-05 Going Up the Country is part oral history part nostalgia tinged narrative and part clear eyed analysis of the multifaceted phenomena collectively referred to as the counterculture movement in Vermont This is the story of how young migrants largely from the cities and suburbs of New York and Massachusetts turned their backs on the establishment of the 1950s and moved to the backwoods of rural Vermont spawning a revolution in lifestyle politics sexuality and business practices that would have a profound impact on both the state and the nation The movement brought hippies back to the landers political radicals sexual libertines and utopians to a previously conservative state and led us to today's farm to table way of life environmental consciousness and progressive politics as championed by Bernie Sanders

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
