**The Left-Wing Freak Show** Anonym, 2010-08 Seminar paper from the year 2008 in the subject Politics International Politics Region USA language English abstract In a campaign ad aired in early 2004 by the conservative Club for Growth Democratic presidential candidate Howard Dean the former governor of Vermont was scolded by two supposedly average American people who advised him to take his tax hiking government expanding latte drinking sushi eating Volvo driving New York Timesreading body piercing Hollywood loving left wing freak show back to Vermont where it belongs 1 The quote became quite famous for it apparently hit the nail on the head with its characterization of the divide between conservative and liberal America the latter being perfectly epitomized by the state of Vermont While the dramatic exaggerations of campaign ads are rarely based on facts but on feelings the notion that politics in Vermont are decidedly liberal still prevails among Americans and observers from abroad They are supported by such facts as a self declared democratic socialist Bernie Sanders being elected United States senator in 2006 after already having served as a member of the House for 15 years Sanders defeated his Republican opponent by an impressive 2 to 1 margin in the 2006 midterm elections Voting records and public opinion polls on issues such as gay marriage or environmental issues indeed suggest that Vermont is not only a stronghold for the Democratic Party but for liberal ideology in all its forms Even though everyone seems to acknowledge that Vermont is a liberal state one crucial question has not yet been given much attention by media outlets and researchers alike

Why is it that Vermont is so liberal In fact it seems quite puzzling that such a small rural and landlocked state should be a stronghold of cosmopolitanism and political awareness This research paper therefore intends to analyze whether political liberalism is in fact a prevalent political view in Vermont and      *Ducks, Newburyport* Lucy Ellmann,2019-08-20 WINNER OF THE 2019 GOLDSMITHS PRIZE SHORTLISTED FOR THE 2019 BOOKER PRIZE A NEW YORKER BEST BOOK OF 2019 A NEW YORK TIMES NOTABLE BOOK OF 2019 A TIME MUST READ BOOK OF 2019 This book has its face pressed up against the pane of the present its form mimics the way our minds move now toggling between tabs between the needs of small children and aging parents between news of ecological collapse and school shootings while somehow remembering to pay taxes and fold the laundry Parul Sehgal New York Times Baking a multitude of tartes tatins for local restaurants an Ohio housewife contemplates her four kids husband cats and chickens Also America s ignoble past and her own regrets She is surrounded by dead lakes fake facts Open Carry maniacs and oodles of online advice about survivalism veil toss duties and how to be more like Jane Fonda But what do you do when you keep stepping on your son s toy tractors your life depends on stolen land and broken treaties and nobody helps you when you get a flat tire on the interstate not even the Abominable Snowman When are you allowed to start swearing With a torrent of consciousness and an intoxicating coziness Ducks Newburyport lays out a whole world for you to tramp around in by turns frightening and funny A heart rending indictment of America s barbarity and a lament for the way we are blundering into environmental disaster this book is both heresy and a revolution in the novel      *Our common wealth* Thomas M. *The Origins of Woke* Richard Hanania,2023-09-19 Richard Hanania has emerged as one of the most talked about writers in the nation and in this book he puts forward a stunning new theory about the culture war that could turn our debates upside down Richard Hanania has come out of nowhere to become one of the best known writers in the nation in the last few years In this book he directs his attention to the culture war that has driven society apart and presents a stunning new theory about what is going on In a nation nearly evenly split between conservatives and liberals the left dominates nearly all major institutions including universities the government and corporate America Hanania argues that this is as much a legal requirement as it is an issue of one side triumphing in the marketplace of ideas Culture has its own independent force but the state has since the 1960s been putting its thumb on the scale This book answers many of the puzzling questions about modern society such as Why does more and more of life seem like a competition to see who is the most oppressed Who is really behind the sudden proliferation of woke ideas How did ideas that seem so intellectually bankrupt achieve hegemony over elite culture Which laws and regulations have helped the left rise to power everywhere How did workplaces come to be the main enforcers of political ideology When and how did Pakistanis Samoans and Koreans all become the same race AAPI Why did America become so obsessed with inequalities based on race but not religion For those angry about wokeness and what it has done to American institutions this book offers concrete suggestions regarding policies that can move us back to being a country that emphasizes merit individual liberty and color blind governance

**The Smear** Sharyl Attkisson,2017-06-27 A New York Times bestselling in depth look at how propaganda is implemented in contemporary American politics I don t know any journalist like Sharyl Attkisson She has no fear and she doesn t stop until she gets all of the facts like an old fashioned gumshoe detective Greta Van Susteren Behind

most major political stories there is an agenda to destroy an idea or the people advancing it Maybe you read that Donald Trump is a racist misogynist saw a Facebook post about Russian hackers or heard that Hillary Clinton used a body double during her campaign Regardless of the accuracy the themes get repeated until they are accepted by many as truth It s called the smear Sophisticated operatives work behind the scenes to establish narratives manipulate journalists and shape the images you see everyday Nothing is by accident Now investigative journalist Sharyl Attkisson takes you behind the scenes of the modern smear machine exploring how operatives from super PACs corporations and both sides of the political aisle have manipulated a complicit mainstream media to make disinformation rumor and dirty tricks defining traits of our democracy And she doesn t just tell stories she names names sharing her deeply researched account of how smears take shape and who their perpetrators are from Clinton confidant Sidney Blumenthal to liberal political operative David Brock Dissecting the most divisive partisan election in American history she explores how both sides used every smear tactic as a political weapon culminating in Donald Trump s victory even as his detractors have continued their smears against him into the Oval Office What emerges is a timely assault on the mainstream media s willingness to sacrifice ethics for clicks and the cynical politicians and high paid consultants who exploit this reality Attkisson exposes the diabolical tactics of Smear artists and their outrageous access to the biggest names in political media operatives who are corrupting the political process and discouraging widespread citizen involvement in our democracy     **UE ...
