Evolution Christopher H. K. Persaud, 2007-12 Darwinian evolution is taught unreservedly to students of science around the world as incontrovertible truth even though many aspects of the theory have been thoroughly discredited while others are woefully lacking in corroboration from a standpoint of proper scientific precept and practice Practical and honest scientists increasingly are acknowledging that evolutionism is biologically and mathematically impossible The outlandish premise is at odds with the laws of physics and manifestly incompatible with genuine geological and paleontological criteria for aging and classifying rocks strata and fossils Evolutionary theory's ostracism of God as a supreme designer and creator of the universe and of life has emboldened many of history's most ruthless dictators who have embraced its disturbing message to commit crimes of unspeakable evil Many millions of people have lost their lives as demagogues fueled by evolutionist inclinations have sought to legitimize sinister proclivities such as racism bigotry eugenics and ethnic cleansing among other perpetrations of antipathy and wickedness It is not unreasonable to assume that many of today's social and behavioral thinkers as well as misguided scientists who support evolutionary theory also nurture predilections that are far removed from wholesome deportment and espouse leanings that show scant respect for the sanctity of human life Evolutionary thought falls outside the precincts of essential moral contemplation and is beyond the realm of real science **Courageous Christians**

Joyce Vollmer Brown, 2000-03-13 Most Christian parents dream of raising children who will love God with their whole being and seek to serve Christ with their very lives However sometimes parents feel they lack solid Christian role models for their children outside of their family Our kids need Christian heroes *Courageous Christians* by Joyce Brown is just the family reader we need to fill this gap The vast array of men women and children profiled in this book give everyone someone with whom to identify These personalities are from different parts of the world and different time periods These are people who have moved mountains with their faith had courage beyond belief and have demonstrated selfless sacrificial love *Courageous Christians* is a book that can be used by families with children of all ages Joyce Brown provides clear simple well explained stories of various Christian heroes With sixty daily readings this book will provide a perfect format for family devotions This delightful family reader will teach children and parents alike what truly makes a Christian hero **Dumb Things Smart**

Christians Believe Gary D. Kinnaman, 2003-11-03 Gary Kinnaman contends that many Christians are blinded by what he calls popular and nonbiblical notions of God Applying personal anecdotes stories from the lives of others and a large dose of humor the author challenges ten beliefs that are obstacles to the experience of God's love and providence With a lighthearted touch the author rescues readers from stubborn religious lies such as God grades on a curve the better you are the bigger the blessing And whoppers such as if God leads you to something everything will work out just great Witty and engaging Kinnaman may offend Christians of all traditions as he provokes them to think more deeply about their faith and their behavior **Do Christians Know How to be Spiritual?** John Drane, 2020-04-28 After a century or more of convincing

ourselves that intelligent people should be secular it is now trendy to be spiritual Why the sudden change And what do we mean by being spiritual John Drane presents a whirlwind tour of the phenomenon of cultural change as it is being experienced in the West identifying the challenges and opportunities this presents to the Christian church He examines the question of whether human beings are intrinsically programmed to be spiritual offers theological reflection on the New Age phenomenon and focuses on how the Christian community can connect with spiritual seekers in today s world

CONTENDING FOR THE FAITH Christopher H.K. Persaud,2013-05-21 Doubt and disbelief in God s existence and his plan of redemption for lost humankind is becoming increasingly evident in today s hedonistic self directed world Many Christian believers even choose to listen to and to acknowledge a feel good now Gospel notwithstanding its deviation from Biblical truth and its possible damning implications Conversely many people are wont to deny the existence of a devil and the reality of a place of unceasing torment and or destruction called hell A good God cannot be so cruel they opine Jesus commissioned his followers to take his Gospel to the far reaches of the Earth and the Holy Scriptures encourage Christians in Jude 1 3 to earnestly contend for the faith More than at any other time in history believers must defend the Christian Gospel and advocate its timeless truths everywhere so that all of humankind may hear about Christ s offer of eternal life in a place named Paradise The miscellany of contemplative inquiries and arguments presented in **CONTENDING FOR THE FAITH** purposes to do just that endorse and advance the Gospel of Christ and help establish Biblical truth Much too much is at stake for not spreading or not listening to Christ s entreaty

Christians Under Covers Kelsy Burke,2016-02-09 Christians under Covers shifts how scholars and popular media talk about religious conservatives and sex In an ethnography drawn from Christian sexuality websites Kelsy Burke examines how some evangelical Christians use digital media to promote the idea that God wants married heterosexual couples to have satisfying sex lives These evangelicals maintain their religious beliefs while incorporating feminist and queer language into their talk of sexuality encouraging sexual knowledge emphasizing women s pleasure and justifying marginal sexual practices within Christian marriages This book complicates boundaries between normal and subversive empowered and oppressed and sacred and profane Provided by publisher
