*Windows onto Jewish Legal Culture Volume 2* Hanina Ben-Menahem,Arye Edrei,Neil S. Hecht,2020-10-07 This book opens windows onto Jewish legal culture by offering fourteen exploratory essays each of which focuses on an aspect of Jewish law broadly understood Each chapter is a self contained journey as it were into a feature of the Jewish legal landscape In other words rather than taking a structural approach and attempting to neatly circumscribe and define every element of Jewish law Windows onto Jewish Legal Culture takes a dynamic and holistic approach describing diverse manifestations of Jewish legal culture without seeking to fit them into a single structure Given this approach readers have a number of options they can focus on those chapters of particular interest to them read the chapters in whatever order appeals to them or go through the chapters in order Reading even a handful of chapters should provide the reader with a good sense of the mind set characteristic of Jewish legal thinking Jewish legal culture spans two millennia and evolved in geographic centers that were often very distant from one another both geographically and socio culturally It encompasses the Talmud and talmudic literature the law codes the rulings of rabbinical courts the responsa literature extra judicial decisions taken by judges and communal leaders study of the law in talmudic academies the local study hall and the home But Jewish legal culture reaches well beyond legal and quasi legal institutions it addresses and is reflected in every aspect of daily life from meals and attire to interpersonal and communal relations The book gives the reader a taste of the tremendous weight of Jewish legal culture

within Jewish life Windows onto Jewish Legal Culture is divided into five sections The opening section presents two distinguishing features of Jewish legal culture namely its toleration and even encouragement of controversy and its preference for formalistic formulations These features are often misunderstood and been subjected to severe critique Indeed Jewish legal culture is often parodied as nit picking hair splitting argument for the sake of argument Exploring Jewish legal culture s partiality to controversy and formalism in its proper context however yields a very different picture The second section Law and Ethics gives readers a first hand look at the way Jewish legal culture relates to three moral issues of importance to any society equity charity and euthanasia The third section focuses on the judicial process a central topic in the general analysis of law and even more so in Jewish law where the judicial branch takes precedence over the legislative The fourth section addresses questions pertaining to the role of the individual in the administration of justice self help and the individual s obligation to defend himself and others against a pursuer The closing section is devoted to private law exploring the interface between Jewish legal culture and free market competition unjust enrichment agency and labor law This book will appeal to students at the advanced level scholars and interested laypeople the primary target audience is academic It is suitable for use as a textbook      **Bulletin of Safety Education** ,1937      **Dictionary of Occupational Titles** United States Employment Service,1977      *School Law Bulletin* ,1985      **Biennial Report of the State Superintendent of Free Schools of the State of West Virginia** West Virginia.
