Operations Strategy Terry Hill, Alex Hill, 2017-10-12 This new core textbook underpinned by rigorous academic research and industry best practice offers a practical approach designed to provide students with the tools and techniques required to design and develop an operations strategy. Authored by two of the most well respected authorities in the field the book's clear and accessible content explains how operations strategy can create value for an organisation and positively impact on business performance. Case studies with international relevance and which draw on examples from a wide range of industry sectors help students to link theory and practice, develop analytical and problem solving skills and gain an understanding of operations strategy in the real world. This textbook caters primarily for MBA students studying modules in Operations Strategy or Operations Management and is also suited to postgraduate students studying Operations Strategy on specialist courses such as Operations and Supply Chain Management or Logistics and Operations Management. In addition this is an important text for final year level undergraduate students studying Operations Strategy or Strategic Operations Management. [What is e-book?](#) Nicolae Sfetcu, 2014-05-10 The e book guide for publishers how to publish EPUB format ebook readers and suppliers. An electronic book also e book, ebook, electronic book, digital book is a book length publication in digital form consisting of text, images or both and produced on published through and readable on computers or other electronic devices. An e book can be purchased, borrowed, downloaded and used immediately whereas when one buys or borrows a book one must go to a bookshop, a home library or public library during limited hours or wait for a delivery. Electronic publishing or ePublishing includes the digital publication of e books and electronic articles and the development of digital libraries and catalogues. EPUB short for electronic publication alternatively capitalized as ePub, ePUB, EPub or epub with EPUB preferred by the vendor is a free and open e book standard by the International Digital Publishing Forum (IDPF). Self publishing is the publication of any book or other media by the author of the work without the involvement of an established third party publisher. One of the greatest benefits brought about by ebooks software is the ability for anyone to create professional ebooks without having to fork out thousands of dollars to design and publish a book. People can easily become authors overnight and earn income from selling online ebooks. [**The Nineteenth-Century Press in the Digital**](#)
