## **Bbc News Joseph Stalin:**

*In the Mind of Stalin* James Greensmith, 2023-04-06 On 1 October 1939 Winston Churchill First Lord of the Admiralty and soon to be the UK's wartime leader described Russia as a riddle wrapped in a mystery inside an enigma The same can certainly be said of Stalin How can this paradox of a man who on the one hand had once exhibited great tenderness and kindness to his daughter Svetlana and on the other sent millions including members of his own family to their deaths be explained It is impossible to quantify the total number of deaths attributable to the policies of Stalin but the Excess Mortality i.e. deaths over and above what would normally have been expected during the period in question gives an approximate figure in excess of 40 million However this is only part of the story of the amount of misery inflicted by the Stalin regime through torture deliberate starvation neglect separation from loved ones cold and hypothermia e.g. in the prisons of Siberia which is unquantifiable and unimaginable Svetlana confessed that she would never undertake to explain what motivated all my father's actions simply because I do not possess the psychological genius of Russian novelist Dostoevsky who knew how to penetrate into another man's soul and examine it from within The Dancer and the Devil John E. O'Neill, Sarah C. Wynne, 2022-04-26 Communism must kill what it cannot control So for a century it has killed artists writers musicians and even dancers It kills them secretly using bioweapons and poison to escape accountability Among its victims was Anna Pavlova history's greatest dancer who was said to have God-given wings and feet that never touched the ground But she defied Stalin and for that she had to die Her sudden death in Paris in 1931 was a mystery until now The Dancer and the Devil traces Marxism's century-long fascination with bioweapons from the Soviets' leak of pneumonic plague in 1939 that nearly killed Stalin to leaks of anthrax at Kiev in 1972 and Yekaterinburg in 1979 from the leak of a flu in northeast China in 1977 that killed millions to the catastrophic COVID-19 leak from biolabs in Wuhan China Marxism's dark past must not be a parent to the world's dark future COMMUNIST CHINA PLAYED WITH FIRE AND THE WORLD IS BURNING Nearly ten million people have died so far from the mysterious Covid-19 virus These dead follow a long line of thousands of other brave souls stretching back nearly a century who also suffered mysterious natural deaths including dancers writers saints and heroes These honored dead should not be forgotten by amnesiac government trying to avoid inconvenient truth The dead and those who remember and loved them deserve answers to two great questions How Why The Dancer and the Devil answers these questions It tracks a century of Soviet and then Chinese Communist poisons and bioweapons through their development and intentional use on talented artists and heroes like Anna Pavlova Maxim Gorky Raoul Wallenberg and Alexis Navalny It then tracks leaks of bioweapons beginning in Saratov Russia in 1939 and Soviet Yekaterinburg in 1979 through Chinese leaks concluding in the recent concealed leak of the manufactured bioweapon Covid-19 from the military lab in Wuhan China Stalin Putin and Xi perpetrators of these vast crimes against humanity itself should not be allowed to escape responsibility This book assembles the facts on these cowardly murderers calling them to account for their heartless crimes against man
