## **Be Strong Joshua Be Strong Joshua:**

**Be Strong (Joshua)** Warren W. Wiersbe, 2010-01-01 It can seem as though today's culture encourages weakness not strength. And this attitude has crept into the church. Don't take a strong position of faith. Don't take a strong view of evangelism. Don't maintain strong moral values. Yet God's people are called to be soldiers and to fight for His cause and kingdom. Based on the book of Joshua, *Be Strong* is an inspiring guide to pursuing a victorious life. Part of Dr. Warren W. Wiersbe's best selling BE commentary series, *Be Strong* has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares the need for strong, dedicated believers. You'll discover how to dodge defeat, pursue your purpose, and take hold of all God has in store for you. Wiersbe,1993 **A Farewell Charge: Joshua's Leadership Commissioned** Ahmed Musa ,2024-12-12 A new leader rises

A nation embarks on its destiny The charge to be strong and courageous As Moses time came to a close the mantle of leadership passed to Joshua a man chosen by God to lead Israel into the Promised Land In his farewell charge Moses empowered Joshua with a divine commission one that called for strength courage and unshakable trust in God s presence A Farewell Charge Joshua s Leadership Commissioned explores the pivotal moment when God appointed Joshua to continue the work that Moses had begun and how Joshua s leadership marked the beginning of a new chapter in Israel s history In A Farewell Charge Joshua s Leadership Commissioned you will discover The essence of Moses farewell charge to Joshua and how his words were not only a passing of leadership but a profound call to faithfulness courage and obedience The critical importance of leadership transitions and how Joshua s commissioning by God was essential for guiding the Israelites into the fulfillment of God s promises How Joshua s faithfulness as a leader was rooted in his personal relationship with God and how he relied on divine guidance to navigate the challenges ahead The concept of strength and courage as key elements of godly leadership and how these virtues are just as essential for us today in the face of uncertainty and adversity How Joshua s leadership demonstrates the importance of leading with humility remembering God s faithfulness and empowering others to follow God s call Joshua s leadership didn t begin with a grand vision of success it began with a charge to trust God wholeheartedly and lead with strength and courage His commissioning serves as a timeless reminder to all leaders whether in the church the workplace or at home that true leadership is not about control but about obedience to God s commands and trusting in His promises How are you leading others in your life What does it mean to be strong and courageous in the face of your own challenges Leadership is not about power it s about following God s call and leading others toward His purposes Joshua s charge reminds us that with God s presence and promise we can accomplish anything He sets before us Step into A Farewell Charge and discover the qualities that make for godly leadership With faith in God we are equipped to lead with courage fulfill His purpose and pass on a legacy that will endure for generations to come *Strong and Courageous* John D. Currid,2011-06-06 The central theme of the book of Joshua is that God keeps his promises Joshua records how God was true to his word in helping Israel take possession of the promised land What now for them God does not leave them to carry on in their own strength Christians like Joshua are to be strong and courageous no matter what we may face we can be because God is faithful to his promises The fulfillment of God s promises of a land are central to the book He begins the book with it and brings to closure Joshua s final charge to Israel s leaders with it And the promises of God as fulfilled are found

throughout the book The truth that God fulfills his promise of a land for Israel also has great implications for the believer today and that is one of the great applications of the book of Joshua Those who are truly God's people shall inherit a land However that land is not the dry and dusty land in the Middle East today Rather the Apostle Peter tells us that God has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead to an inheritance that is imperishable undefiled and unfading kept in heaven for you We as believers have God's promise of an eternal inheritance and the possession of an eternal land that is real earthy and substantial And like Israel we will indeed receive our inheritance because God is a promise keeper

**Hebrew-Greek-English Bible with Strong's Numbers, Volume 1 of 3 Volumes** Jay Patrick Green,2009-07 The only complete interlinear Bible available in English and it's keyed to Strong's Exhaustive Concordance Thousands of pastors students and laypeople have found The Interlinear Bible to be a time saving tool for researching the subtle nuances and layers of meaning within the original biblical languages Featuring the complete Hebrew and Greek texts with a direct English rendering below each word it also includes The Literal Translation of the Bible in the outside column But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's Greek Hebrew dictionaries analytical lexicons concordances word studies and more The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus The sources of the texts are documented in the preface and are essentially the same with some minor variations to the Hebrew and Greek texts used by the KJV translators Only a small minority of Bible students ever achieve the ability to read the original biblical languages This resource offers a non threatening tool for those lacking language training to begin exploring the languages of Scripture Conveniently includes the entire Hebrew and Greek text of the Bible in one place Offering a concise literal translation of each Greek and Hebrew word it's a great jumping off point for in depth Bible study and text analysis This Bible displays all the Hebrew Aramaic and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text with literal accurate English meanings placed directly under each

original word in interlinear form with Strong's Concordance numbers over each original word enabling the Bible student whether knowing the original languages or not to refer to all lexicons and concordances that have also been coded with Strong's numbers 2 936 pages bound in a bonded leather over boards hardback edition This new edition has been much improved by a new typesetting of the New Testament Volume IV with larger print the left marginal column containing a newly revised Literal Translation of the Bible 2000 and a right marginal column containing the Authorized King James Version 1769 The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition The Old Testament does not yet have the 1769 King James Version The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers The Strong's numbering above each Hebrew and Greek word along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew Greek words in the Hebrew Greek lexicons There is no substitute for a first hand knowledge of the original text However since only a small minority of Bible students retain an easy reading comprehension of the original text the Interlinear Bible is a welcome aid to Bible students laymen and pastors who wish to continue working with the original languages
