Bears And Dolls In Advertising Guide To Collectible Characters And Critters:

Bears & Dolls in Advertising Robert Reed, 1998 A Passion for the Fatherless exposes believers to the Scriptural mandate to care for orphans helps them understand why God has issued that call and equips them to joyfully respond to that call Bennett provides a sturdy theological foundation for a ministry to the disenfranchised the orphan and then shows how churches can build on these biblical foundations to implement or improve an orphan care program and to equip care givers With how to practicality this book focuses on total orphan care ministry and not just adoption including a wide range of activities intended to get the whole church involved domestic and international adoption foster care counseling congregational funding overseas mission trips prayer ministry and so on The temptation in a church can be to see orphan care as a ministry for couples of child bearing age This approach fails to make wise use of the incredible resources of energetic young people empty nesters with newfound freedom or older saints who have some time with which they desire to be good stewards A Passion for the Fatherless includes practical and encouraging stories of how other churches and believers have cared for orphans and each chapter contains a study guide so that a group leader could use the book in a small group bible study It encourages the church to retain its strong biblical philosophy of ministry while simultaneously being obedient in so called social ministries like orphan care This book is based on a careful study of what the Bible has to say about orphan care and the answer is plenty and why we cannot ignore the most helpless and abandoned of God s creation without grieving the heart of God All who are in Christian ministry should read it and ask How should we get involved Dr Erwin Lutzer Moody Church Chicago
