Beautiful Beautiful A Contemporary Fairy Tale:

Beautiful Beautiful Heidi Garrett, 2014-08-31 Kerrin Mayham's eye for beauty has shaped her life. Now a mother she wants to teach her daughter that beauty can be both nourishing and treacherous. However, Mirabella is far too young to hear the truth of her mother's hard-won knowledge, so Kerrin wraps a fantastical bedtime story of magic shoes, enchanted oak trees, witches, and sad kings around actual events. As mother tells the story and daughter interjects, Kerrin can't help but return to her past when she was at the pinnacle of her career as an independent film director. Seduced by a beautiful young predator, she takes a risk that puts her life in danger and shakes the core of her identity. Finally forced to ask the hard questions about the demons that drive her, Kerrin doesn't flinch. Her honest answers deepen her experience of life and her eye for beauty. The novella is a retelling of the Hans Christian Andersen tale *Beautiful*. Adult language, situations, no explicit sex.

Contemporary Fairy-Tale Magic, 2020-01-13 *Contemporary Fairy-Tale Magic* edited by Lydia Brugu and Auba Llompart studies the impact of fairy tales on contemporary cultures from an interdisciplinary perspective with special emphasis on how literature and film are retelling classic fairy tales for modern audiences. We are currently witnessing a resurgence of fairy tales and fairy tale characters and motifs in art and popular culture as well as an increasing and renewed interest in reinventing and subverting these narratives to adapt them to the expectations and needs of the contemporary public. The collected essays also observe how the influence of academic disciplines like Gender Studies and current literary and cinematic trends play an important part in the revision of fairy tale plots, characters, and themes.

Myths and Fairy Tales in Contemporary Women's Fiction Sharon Rose

Wilson, 2008-08-15 *Myths and Fairy Tales in Contemporary Women's Fiction* explores contemporary feminist postmodernist and postcolonial women writers use and revisions of fairy tales and myths. With close readings of works ranging from Margaret Atwood to Doris Lessing to Toni Morrison, Wilson examines meanings of myths and fairy tales as well as their varying techniques, images, intertexts, and genres. Although the writers represent several different nationalities and racial, ethnic, and cultural backgrounds, they employ a type of postcolonial literature that urges readers and societies beyond colonization. Wilson argues that the use of myths and fairy tales generally convey characters' transformation from alienation and symbolic amputation to greater consciousness, community, and wholeness, and it is in and through story that characters construct a hybrid way of establishing themselves in the larger world.

Blurred Transparencies in Contemporary Glass Architecture Aki Ishida, 2020-04-22 *Blurred Transparencies in Contemporary Glass Architecture* brings to light complex readings of transparent glass through close observations of six pivotal works of architecture. Written from the perspectives of a practitioner, the six essays challenge assumptions about fragility and visual transparency of glass. A material imbued with idealism and utopic vision, glass has captured architects' imagination, and glass's fragility and difficulties in thermal control continue to present technical challenges. In recent decades, architecture has witnessed an emergence of technological advancements in chemical coating, structural engineering, and fabrication methods that resulted in new kinds of glass transparencies. Buildings examined in the book include a sanatorium with expansive windows delivering light and air to recovering tuberculosis patients; a pavilion with a crystal-clear glass plenum circulating air for heating and cooling; a glass monument symbolizing the screen of personal devices that shortened the distance between machines and humans; and a glass building symbolizing the social and material intertwining in the glass ceiling metaphor. Connecting material glass to broader cultural and social contexts, *Blurred Transparencies in Contemporary Glass Architecture* enlightens students and practitioners of architecture as well as the general public with interest in design. The author demonstrates how glass is rarely crystal clear but is blurred both materially and metaphysically, revealing complex readings of ideas for which glass continues to stand.

The Contemporary Review, 1889 *Incest in contemporary literature* Miles Leeson, 2018-08-06 This is the first edited collection of essays which focuses on the incest taboo and its literary and cultural presentation from the 1950s to the present day. It considers a number of key authors and artists rather than a single author from this period. The collection exposes the wide use of incest and sexual trauma and the frequency this appears within contemporary literature and related arts. *Incest in contemporary literature* discusses the impact of this change in attitudes on literature and literary adaptations in the latter half of the twentieth century and early years of the twenty-first century. Although primarily concerned with fiction, the collection includes work on television and film. Authors discussed include Iain Banks, A.S. Byatt, Angela Carter, Simone de Beauvoir, Ted Hughes, Doris Lessing, Ian McEwan, Iris Murdoch, Vladimir Nabokov, Andrea Newman, and Pier Pasolini and Sylvia Plath.
