Beautiful Time Travelers C Eroh:

Beautiful and the Time Travelers C. Eroh, 2015-12-12 Samuel Carvelus never came home from the logging mill that evening The rushing river claimed him as its own His wife Megan and nine year old daughter Shiloh received word there was an accident Samuel was killed saving the life of Jacob Turner an eighteen year old boy just starting out in the logging business No man could have done what Samuel did in saving this young life He filled his lungs with air dived into the rushing river and struggled to dodge the floating timbers Beneath the timbers he searched savagely for Jacob s body Numbered by the cold raging river the fierceness of the current thrust his body forward his lungs began to crave for air but dare not surface He spotted the boy s body dangling from a jagged rock like a rag doll He aligned himself and allowed the river to force his body toward the boy just as Jacob s shirt tore loose from the rock Samuel grabbed hold of his arm he scanned the surface for a break from the rushing logs Daylight appeared between the rock and the banks He pushed upward to the surface hanging tight to Jacob s limp body He shoved the boy up on the embankment four men hoisted the boy to safety but it was too late for Samuel the swiftness of the logs slammed into his back crushing his body while the raging current sucked him under

darkest hour standing alone against Adolf Hitler was always somewhat insecure about his place in FDR's affections which was the way Roosevelt wanted it. A man of secrets, FDR liked to keep people off balance including his wife Eleanor, his White House aides and Winston Churchill. Meacham's sources including unpublished letters of FDR's great secret love Lucy Mercer Rutherford, the papers of Pamela Churchill Harriman and interviews with people who were in FDR and Churchill's joint company shed light on the characters of both men as he engagingly chronicles the hours in which they decided the course of the struggle. Charting the personal drama behind the discussions of strategy and statecraft, Meacham has written the definitive account of the most remarkable friendship of the modern age. **Bulletin** Michigan Society of Architects, 1955.
