revealing that most people have 10-5 sexual partners in their lifetime she begins to feel like a tramp. She's slept with nineteen men so far, almost twice the national average. During a self-help moment she vows to cap her number at twenty, swearing she'll save her last spot for the right guy. But after losing her job and having a wild night on the town she falls into bed with Mr. Wrong. Unwilling to up her number but also unable to imagine a life of celibacy, Delilah does the only thing a girl in her situation can do: she tracks down every man she's ever slept with in a last-ditch effort to make it work with one of them. A hilarious romp through Delilah's past loves, *What's Your Number* shines a spotlight on every woman's dirty little secret and proves that when it comes to matters of the heart, sometimes numbers tell only a fraction of the story. **Mother Nurture** Stephanie Hirsch, 2008

Where did Beyoncé get her groove? Where did Lance Armstrong get his drive? Where did Steven Spielberg get his creative vision? Every success story begins with Mom. When Stephanie Hirsch gave birth to her son, she began to think about the kind of person she'd like him to be: generous, family-oriented, loving, courageous, and professionally accomplished. Maybe he'd turn out like Steven Spielberg. But what she wondered had Spielberg's mother done so well? What started out as one conversation with Steven Spielberg's mom became a quest to interview the mothers of some of the most talented artists, brilliant journalists, and dedicated athletes of our time. *Mother Nurture* is an inspiring collection of fifty-two stories filled with commonsense advice and memorable personal tales from caring mothers whose children have reached the apex of their fields: from sports, politics, and music to literature, entertainment, and business. If you're expecting or a parent, or you just want to thank the woman who raised you, *Mother Nurture* is both the perfect antidote to piles of contradictory parenting advice and a celebration of the gift of motherhood. Wyoming Wild Life, 1983 *Show of Hands* San Francisco Bay Area Students, 2009

From 826 Valencia, the innovative teaching center located in San Francisco, comes an anthology of stories and essays by 54 juniors and seniors at San Francisco's Mission High School. We've all heard the adage, "Do unto others as you would have them do unto you," but there are many facets to this Golden Rule. Forming the fundamental moral basis of many religions and applicable to global issues, street violence, and interpersonal relationships among friends and family, this principle is a guiding beacon for moral behavior and a fascinating starting point for these impassioned essays and short stories. These young voices explore the Golden Rule in thoughtful ways, bringing their unique and varied perspectives to an age-old notion of social interaction. **Working Woman**, 1976 **The Northwestern Miller**, 1927 **Lesbians Living with HIV in the Bay Area** Valerie Dawn Curtis, 2000
