## **Beautiful Guide:**

**Everything, Beautiful** Ella Frances Sanders, 2022-08-23 From the New York Times bestselling author of *Eating the Sun* and *Lost in Translation* a gorgeously illustrated love letter to everything that is beautiful and a manifesto for those who are struggling to remember or recognize what beauty is. People are increasingly baffled as to what they can call beautiful what they should call beautiful and whether or not they are able to apply beautiful to themselves or to the things around them. Our outdated yet hugely pervasive modern notions of beauty provide one of the greatest sadnesses of all an intensely human emptiness that we are mistakenly trying to fill with objects and hollow promises. To be able to find our way back to beauty is a deceptively urgent task in the world today. Everyone deserves revelations the kind that are daily hugely personal and very often ephemeral. We are surrounded by beauty beauty that isn't something we can buy spiderwebs only seen in the sunlight the greenish glow of a fox's eyes watching in the dark or the comforting screech of the subway that takes you to your many futures. Part meditation part self help guide and part interactive journal *Everything Beautiful* explores what beauty is why it matters and how we can find it in our everyday lives. Filled with thoughtful intimate and brilliant insights inspirational quotes breathtaking illustrations and space for readers to write draw and reflect on their own ideas of beauty. *Everything Beautiful* is for anyone who feels they cannot point to beauty any longer are struggling to see it or feel that it has left them behind.
