Ancient Ones Kirk Mitchell, 2001 Kirk Mitchell won acclaim with his first two suspense novels featuring Bureau of Indian Affairs Criminal Investigator Emmett Quannah Parker and FBI Special Agent Anna Turnipseed Now the author of Cry Dance and Spirit Sickness pairs Parker and Turnipseed once more to investigate a case where the discovery of a mysterious skeleton on an Oregon Indian reservation will pit the demands of modern forensics against traditional tribal laws Though there are signs of foul play Emmett Quannah Parker and Anna Turnipseed aren't looking for a killer the remains dug out of a riverbank by an illegal fossil hunter are 14 000 years old Parker and Turnipseed are sent to central Oregon as official witnesses to the examination of John Day Man as he is dubbed for the bones have quickly provoked a controversy that threatens to erupt into violence the skeleton is not Native American but distinctly Caucasian shattering long held tenets concerning who the first inhabitants of this continent were Emmett with his Comanche and white ancestry and Anna a reservation born Modoc with

Asian blood share a sensitivity to both parties concerns and a forbidden attraction that s causing them professional and personal problems They ve broken the unwritten law that partners should never get emotionally involved Having crossed that line Emmett and Anna are too distracted by each other to see the escalating suspicion and fear around them when a young tribal anthropologist is swallowed by the misty night and within hours of her disappearance the fossil hunter who discovered the skeleton is found disemboweled The Warm Springs Indians insist that the unburied bones of the Ancient One have beenturned into a skep a murderous spirit that haunts the darkness As winter closes in on the steppes of the Columbia Plateau accusations of ritualized murder fly between the Indian and white communities and the fight turns deadly when a second skeleton is unearthed In the midst of the turmoil Emmett and Anna are paralyzed by their own demons This estrangement could prove deadly if they stop watching each other s back long enough for a killer to target them too And at the center of it all are the Ancient Ones exacting a terrible price as the dark path to resolution runs a gauntlet through the boneyards of prehistory
