Profiles with clarity and precision in a concise format that ensures student comprehension and encourages critical thinking. This edition emphasizes the notion that becoming a paramedic must be a pursuit of excellence. Concepts of team leadership and professionalism are woven throughout the chapters challenging students to become compassionate conscientious health care professionals as well as superior clinicians. This edition also broadens the traditional boundaries to include new and emerging areas of paramedic practice. Current State of the Art Medical Content The Seventh Edition includes in depth coverage of anatomy physiology and pathophysiology to form an advanced understanding of the human body and disease processes expected of today's paramedic. Three new chapters have been added to this edition: Community Paramedicine, Research and Quality and Mechanical Ventilation. The first two represent areas of growth in the scope role and importance of paramedics in an integrated health care system. The third acknowledges the paramedics' ability to provide advanced therapies prior to arrival at the hospital and a growing reliance on paramedics in transfer of critically ill patients in a regionalized delivery of care. Clear Approach to Patient Assessment and Management The Seventh Edition teaches and reinforces the concept of patient assessment with a single comprehensive chapter ensuring that students understand patient assessment as a single integrated process the way that providers actually practice it in the field. Each clinical chapter reinforces the steps of the patient assessment process within the context of the illnesses or injuries discussed in the chapter. Strong Application to Real World EMS Patient case studies evolve throughout every chapter offering students a genuine context for the application of the knowledge presented. This approach shows the student how all of the information will be used to help patients in the field. An additional case concludes each chapter and presents critical thinking questions to cement the chapter's concepts.

Accessible Language Since the first edition published in 1972, *Emergency Care in the Streets* has been known for its clear, accessible language that provides the most effective learning for students. The Seventh Edition continues Dr. Caroline's legacy with world class medical content written in a manner that is relevant to today's practice of paramedicine.
