*Parliamentary Debates (Hansard)*. Australia. Parliament. House of Representatives, 2008-11      *Social Inequality in Australia* Daphne Habibis, Maggie Walter, 2009 *Social Inequality Australia at the Crossroads* provides comprehensive coverage of the key dimensions of the nature and extent of inequality and difference in Australian society Incorporating debates about the effects of globalization on inequality and difference in Australia it also considers the role of culture in the social reproduction of hierarchy and difference Arguments about the nature of inequality are tested against empirical evidence and case studies in each chapter provide examples to aid understanding      **Parliamentary Debates** India. Parliament. Rajya Sabha, 2008-02      *Under Suspicion* Joan Beaumont, Ilma Martinuzzi O'Brien, Mathew Trinca, 2008 The internment of enemy aliens of German Jewish Italian and Japanese origin in Australia during the Second World War Provided by publisher      *Parliamentary Debates (Hansard)*. Australia. Parliament. Senate, 2007      *Defining Australian Citizenship* John Chesterman, Brian Galligan, 1999 During our first century as a nation citizenship for a majority of Australians has meant the enjoyment of progressive political social economic and legal rights Yet many groups in our society have been denied the usual benefits of citizenship including the vote equality before the law freedom of speech religion and movement health care

education and a minimum wage Unlike that of the United States of America Australia's constitution provides no definition of the rights and obligations of its citizens John Chesterman and Brian Galligan have searched Commonwealth and State legislation parliamentary debates law reports official correspondence United Nations conventions and works of historical scholarship and provide surprising evidence to show that the concept of citizenship in Australia is an elusive but crucial one It pervades Australian politics and has determined the course of individual lives in many different areas including female suffrage the White Australia Policy compulsory voting Aboriginal rights equal pay sex discrimination wartime internment and Menzies attempt to ban the Communist Party In *Defining Australian Citizenship* they reveal for the first time the complexity of Australian legislation as it has tried over the years to accommodate changing ideas about exactly what citizenship entails and who is or is not eligible for it *Australian Citizenship Test Practice Questions* Henry Dillon, 2008 *Australian Citizenship Test Practice Questions* is the perfect study companion for ensuring you pass your test on your first attempt This book includes hundreds of practice questions so that you can check that you are ready to take the test All practice questions are set out in the same format as the official test and have been developed from the official study materials published by the Department of Immigration and Citizenship Also included with this book is a free subscription to further online computer based tests at the publisher's website [www.AussieTest.com](http://www.AussieTest.com) If you need to take the Australian citizenship test then this book is a must have study companion *Australian Citizenship Test Practice Questions* Dillon Henry, David Hampshire, 2010 *Australian Citizenship Test* is the perfect study companion for ensuring you pass your test on your first attempt This book includes hundreds of practice questions so that you can check that you are ready to take the test All practice questions are set out in the same format as the official test and have been developed from the official study materials published by the Department of Immigration and Citizenship Also included with this book is a free subscription to further online computer based tests at the publisher's website [www.AussieTest.com](http://www.AussieTest.com) If you need to take the Australian citizenship test then this book is a must have study companion *Australian Government Digest*, 1973 **The Parliamentarian**, 2007 **Women as Australian Citizens** Patricia M. Crawford, Philippa C. Maddern, 2001 What does it mean to be a woman citizen in Australia today Why have Australian women appeared so rarely in public political life despite gaining the vote in 1901 Why has formal citizenship historically been analysed in primarily male terms And how have women themselves established different practices of citizenship from those of men *Women as Australian Citizens* addresses these questions It examines the long histories of citizenship for Australian women of various ethnic and cultural backgrounds showing how gender far from being irrelevant has been central to constructions of the concept of citizenship Hence citizenship has been masculinised and women's citizenly activities marginalised This challenging and original work problematises the concept of citizenship and the unstated assumptions infusing it The authors argue that from its earliest European origins the word citizen has acted as a term of division denoting both inclusion in and exclusion from civic power and initiating enduring negotiations over the

criteria for becoming a citizen Patricia Crawford Philippa Maddern and their associate authors investigate how gender has been used as a marker and justification for inclusion and exclusion They show how women from many different backgrounds from the medieval world onwards rethought and rewrote their own citizenship and argue that the legacies of these historical debates still underlie community understandings of modern Australian citizenship

**Studies in Applied Linguistics and Language Learning** Ahmar Mahboob, Caroline Lipovsky, 2009 Studies in Applied Linguistics and Language Learning brings together new and original studies in the area of critical applied linguistics language policy and planning and language learning and teaching The book divided into three sections first offers critical views on various aspects of language in society ranging from the construction of national identity language and justice racial and identity issues in the ELT industry to language in business discourse It then reports on language policy in the school curriculum language learning in tertiary education and Aboriginal languages policy In the third section it addresses issues in language learning and teaching such as the role of parents in literacy learning multiple script literacy and language learning and maintenance strategies

*Human Rights and Social Policy* Ann Nevile, 2010 This fascinating study evaluates whether the recent focus on human rights citizenship and values makes a difference to service delivery on the ground In doing so it bridges the social policy and human rights literature The book adopts a comparative approach with eight case studies examining the factors that drive policy making in a range of policy sectors in both EU and non EU countries The contributing authors explore the ways in which legally enforceable rights and wider rights discourse influence the services that are provided across a range of policy sectors and welfare regimes Further issues such as how patterns of service provision can affect how people view and experience citizenship are also discussed Human Rights and Social Policy will strongly appeal to academics and students interested in work and family policies labour market activation policies welfare reform gender children s policy and housing policy
