Redeeming How We Talk Ken Wytsma, A. J. Swoboda, 2018-06-05 Discover why words matter in a noisy world. Technology has made it easier than ever before to share just about everything: pictures, ideas, even the ups and downs of your morning errand run. Yet all our talking doesn't seem to be connecting us the way it promised to. That's because we don't need to talk more; we need to talk better. *Redeeming How We Talk* explores what the Bible has to say about that central aspect of life and relationships: conversation. The Scriptures show us that words have remarkable power to create, to bless, to encourage, to forgive. Imagine how we as Christians could spark change in our families, churches, and communities if we learned to use words like Jesus did. By weaving together theology, history, and philosophy, Ken Wytsma and A. J. Swoboda help us reclaim the holiness of human speech and the relevance of meaningful conversation in our culture today.

Mirror of the Heart Charles R. Gerber, 2001 It is said that a journey of a thousand miles begins with the first step. An enduring relationship begins with the first step of effective communication. Because of the power of verbal communication, Charles Gerber urges Christians to carefully monitor their speech. He reminds us that communication can be used for either good or evil purposes. Words will ultimately reveal the heart of the speaker. Knowing the tremendous impact spoken words can have on any relationship, Gerber encourages speech that embodies New Testament teachings. Examples from Scripture of both positive and negative effects of speech clarify the picture of what godly speech should or should not be. Jesus Christ himself is examined as the greatest communicator of the Bible. Christ's teachings and conversations provide a perfect model for all Christians. Engaging anecdotes present the effects of spoken words in a variety of settings. Gerber offers concise, realistic suggestions for improving communication skills and quality in any conversation.

Book jacket *End the Stalemate* Sean McDowell, Tim Muehlhoff, 2024-06-18 When was the last time you had a real conversation? How to engage in perspective-taking as illustrated in Scripture in a number of stories. How to speak the truth in love from a biblical understanding. How to structure a conversation with those who hold diverse and/or seemingly threatening views. How to honor the words and perspective of those with whom we disagree. Yes, we live in cancel culture. But that doesn't mean that we as Christians need to conform to our world. Instead, we can be a beacon of sanity that promotes

meaningful conversations around what matters most in this life and the next *Creating Understanding* Donald K.
