James MacDonald,2013-08-20 The prodigal The wanderer The skeptic The rebel Each of us knows someone who has walked away from God and it is heartbreaking and bewildering We wonder how to reach out to them and bring them back but often it seems impossible Maybe you yourself are the one who has walked away and sees little reason to return to faith and the church This book's invitation is this Come home It invites the departed to return and offers the promise of the gospel that all wrongs and sins can be forgiven through Jesus There is no expiration on the promise of forgiveness and the open arms of Christ so no matter how long the wanderer has wandered he or she is still welcome All hurts can be healed all brokenness mended Just come home Whether you are a family member or friend of the prodigal or whether you are that person this book offers hope and an open invitation to return the safety of forgiveness and restoration in Jesus

**Justification by the Word** Jack D. Kilcrease,2022-09-21 God's Word creates what he commands In Justification by the Word Jack D Kilcrease reintroduces Martin Luther's key doctrine Though a linchpin of the Reformation Luther's view of justification is often misunderstood For Luther justification is an expression of God's creative Word To understand Luther on justification one must grasp his doctrine of the Word The same God who declared let there be light and it was so also declares your sins are forgiven Justification is an objective reality It is achieved in Christ's resurrection and received through an encounter with the risen Christ in Word and sacrament Justification turns us outward away from our own unsteady feelings and limited understanding to look to Christ And the church must preach justification lest we so easily

forfeit the joy of the gospel Justification by the Word inspires readers to reencounter the radical doctrine of justification by faith alone Christian Advocate ,1927 *Philosophy as Metanoetics* Hajime Tanabe,1986 Tanabe s agenda was not religious but philosophical in that he tried to integrate Eastern and Western insights in order to acquire a cross cultural philosophical vision for the post war world community This book shows his superior philosophical originality It is high time that Tanabe s thought should be introduced to the West Joseph Kitagawa University of Chicago School & Society James McKeen Cattell,Raymond Walters,1919 *School & Society* ,1919 **School and Society** ,1919 **Independent and Weekly Review** ,1884 The NIV Standard Lesson Commentary Standard Publishing,2005-08 Includes reproducible student pages Cover *The Druze and their Faith in Tawhid* Anis Obeid,2006-07-06 As a small sect that emerged from Islam over a thousand years ago the Druze religion and society has long been cloaked in a tradition of secrecy Veiled from the outside world the religious tenets have been vulnerable to distortion misunderstanding and misrepresentation In this book Dr Anis Obeid a Druze layman provides a penetrating analysis of Druze scriptures and beliefs Tawhid Presenting a chronological narrative of the foundation and development of the faith he explains the historical conditions and religious rationale behind this closed religion The Druze faith is the product of Abrahamic monotheism as it coalesced with other philosophies belief systems and political structures of the West and the East and as Obeid maintains should be recognized for its core monotheism and not fundamentally different from Judaism Christianity or Islam He argues convincingly with examples and translations from the Druze scriptures only now accessible to a non initiate public that Tawhid is a progressive and dynamic spiritual process based on freedom of choice This rich exploration of their faith the author s appeal for a sincere cultural dialogue will resonate with a wide audience in the West and in the Middle East **A Catholic Dictionary Containing Some Account of the Doctrine, Discipline, Rites, Ceremonies, Councils, and Religious Orders of the Catholic Church** William E.
