

## Autobiography of Tree

I am a tree, tall and imposing, standing all alone near the campus of a temple. My life is ever so interesting as, I see a huge spectrum of society, funny gestures of people, and hear all kinds of conversation of the devotees who pass by me.

I was not always so huge. As is true of all living beings I was also a long time back, a young sapling with this huge tree within me. At that time I looked fresh and beautiful as all other beings who are young, but, at that time I was of course not so imposing. This is what I have seen about life that, every stage has something good about it.

I understand that, I am a peepal tree which just grows anywhere and everywhere. Ever since I was young, I remember several people coming to my root and worshipping me. They would light an earthenware lamp, and put it near my root, say their prayers and go away. This was a daily ritual which scores of people followed at my root ever since I can remember.

As I started growing up bigger and bigger, the temple authorities put a two feet wall like boundary around my trunk. This was done to protect me from being destroyed by crowds who thronged to me. Since I am near a temple, I have always had the pleasure of a lot of company daily and, the great honor of being worshipped by scores of believers every day.

Now, I am a full grown tree, and that two feet wall has been converted into a broad platform all around me, with my root out of sight, and the trunk also somewhat covered from vision. Here on the platform people sit and say their prayers and relax. At times they also consume their temple prasad while sitting on this platform.

Oh, what a wonderful feeling it is to be so loved and cared for and, above all, being so honored and respected. This honor is given to me as, I understand now that, a section of the Indian society considered me a holy tree to be worshipped. This is why there is so much hype about me and my kin.

As I stand here, near a temple, I never ever feel lonely I.

The following is a list of assorted poems that I've chosen to place within my book. I select my favorite poem for thee. Do pick a parchment sweet To get a verse for you from me To warm your heart's my treat. The ones up high are always best. Because they're near the sky Like lemon drops and all the rest They keep me smiling why When I try and stretch myself Not solid on my feet When I stop and think of you My heart still skips a beat I found some writings on the ground But they will never do I

stretch myself to reach the sky Cause those are just for you
